

Anchor drilling rigs

China leading provider of Anchor Drilling Rig and Tunnel Drilling Rig, Sichuan Zuanshen Intelligent Machinery Manufacturing Co., Ltd. is Tunnel Drilling Rig ...

We have Mini Piling and Anchor Drilling machines for every application available for sale, including Anchoring drill rigs, Mini Piling Rigs for Micro Piling, soil nailing, drifter drilling, soil ...

We're well-known as one of the leading drill rig, anchor drill rig, rock drill rig, hammer drill rig, down the hole drill rigs manufacturers and suppliers in China.

Installation of oilfield safety anchors calls for reliable and powerful drilling capabilities. Oil field service customers can create their own all-in-one unit that ...

Hütte provides high-performance hydraulic drilling rigs and advanced technology supplying you with the best micropiles drilling equipment. We have extensive ...

There are many different types of anchor drilling rigs available, each designed to meet specific engineering needs. Some rigs are designed ...

Anchor Drilling Rig SA-150Q For Deep Foundation Pit Support Engineering SA-150Q crawler-type hydraulic anchor drilling rig is the professional soft soil ...

Explore the working principles and anchoring methods of self-drilling hollow anchor rods in slope, foundation pit, tunnel, and prestressed ...

The SIMCO 2400 is the perfect drill rig for installing these oilfield safety anchors. Its compact and powerful design makes it the ideal system for the job, with the ...

The HR-300X anchor drilling rig can meet the needs of a variety of drilling technology, such as water injection and powder discharge, soil drilling, anchor cable, pipe, drill pipe connection, ...

We are specialized in MD series anchor drilling rigs, MDL series anchor drilling tools, XP series jet grouting drilling machines and other series of drilling machinery and accessories.

Anchor drilling rigs are mainly used in landslides and dangerous rock mass anchoring projects in the prevention of various geological hazards in ...

Split Anchor Drilling Rig The separated anchor drilling rigs are mainly used in landslides and dangerous rock

Anchor drilling rigs

body reinforcement, especially suitable for side slope rocks anchoring. ...

Split Anchor Drilling Rig The separated anchor drilling rigs are mainly used in landslides and dangerous rock body reinforcement, especially suitable for side ...

Hütte HBR 207 is a hydraulic drilling rig for micropiles and ground anchors, also suited for soil investigation, slope stabilization and geotechnical drilling. The HBR 207 is one of the most ...

Anchor rigs have many common names, such as bolt drills, rock drills, bolt percussion drills and so on. The powerhead is an integrated design of impact and rotation and has the function of ...

Self-drilling anchor drill rigs are highly efficient equipment used in geotechnical engineering, primarily for the installation of self-drilling anchors. They are ...

Crawler anchor drilling rig, construct-optimized, self-moveable, easily to install& uninstall the drilling tools and comprehensive anchoring job ability.

Anchor Drill Machine Usage: Urban deep foundation pit support, anti-floating anchor and foundation grouting reinforcement hole, blasting hole of blasting ...

Shannxi Xitan Geological Equipment Co., Ltd was established in 1958 as a specialized drilling rig manufacturer for more than 60 years. High-pressure jet ...

Discover high-quality Anchor Drilling Rigs from Shandong Unite Machinery Co., Ltd. Designed for mining and construction, our rigs deliver reliability, durability, and superior ...
