

## Atlas copco long hole drill rigs

Epiroc's Simba long-hole drilling rigs offer a variety of feed lengths, positioning configurations, rock drills, and optional automated features for underground ...

The drill is equipped with a water-driven, in the hole hammer with large hole diameters and is controlled with the rig control system from Atlas Copco ...

**ATLAS COPCO RIG CONTROL SYSTEM** The Atlas Copco Rig Control System (RCS) simplifies the operator's work and creates more productive conditions for long-hole production drilling.

Long-hole drilling rig with tophammer rock drill. The Rig Control System (RCS) provides efficient and high precision drilling, longer consumable life and an ergonomic working environment.

Epiroc is one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For ...

The improved Simba E70 S continues to be the choice in medium-to-large sized drifts, with a hole range of 51 to 178 mm. The boom-mounted configuration makes for excellent flexibility while ...

Flexibility, versatility and reliability Maximize productivity in small spaces with the Simba S7. This hydraulic long-hole drill rig is built for small spaces and tough drilling conditions. Increased ...

Atlas Copco AB has long been a world leader in the manufacture of surface and mining drills and drill rigs. It's also famous for its air compressors, pneumatic tools, and many ...

New Simba longhole drill from Atlas Copco. SWEDEN - Longhole production drilling can be substantially improved with any of four new Simba drill rigs, says the ...

**ATLAS COPCO SIMBA M6C** Features Production long-hole drilling rig with top hammer drill. The Rig Control System (RCS) provides efficient and high precision long hole ...

**UNDERGROUND DRILL RIGS TECHNICAL SPECIFICATION** A versatile long hole drilling solution adapted for small- to medium-sized drifts. Drilling with hydraulic tophammer rock drill ...

The Atlas Copco Simba S7 D is a powerful and reliable long hole drilling rig that combines advanced technology, robust construction, and a comprehensive suite of safety features to ...

Features Hydraulic long hole production drill rig for medium to large size drives, with excellent cover area

## Atlas copco long hole drill rigs

and flexibility. Hole range from 51mm up to 127mm. The Simba E-Series is ...

Atlas Copco H1257 Compact design suited for small to medium sized drives. Boom mounted drill rig with 360 degree drilling capability and 10 rod carousel. Drilling range: 51 to 89mm holes ...

This long-hole drilling rig Simba ME7 C is suitable for medium- to large-sized drifts in the 51 to 89 mm hole range. The rig can ring drill with parallel holes ...

Atlas Copco AB has long been a world leader in the manufacture of surface and mining drills and drill rigs. It's also famous for its air compressors, ...

The key features of the Simba L6 C long-hole drilling rig are: Rod carousel with 17+1 rods for mechanized drilling up to 32 m COP 4050MUX 40 kW rock drill is used for maximizing the ...

Atlas Copco simultaneously launched four new Simba long-hole production drill rigs. The existing Simba rig fleet has been joined by the Simba ME7 C, the Simba E7 C, the ...

50 Tonne Capacity Electric Minetruck - EMT50 from Atlas Copco 98 - 178mm Bore Long-Hole Drilling Rig - Simba E7 C from Atlas Copco Atlas Copco Boomer E3 C with COP 3038 Rock ...

Production long-hole drilling rig with top hammer drill. The Rig Control System (RCS) provides efficient and high precision long hole drilling, and also ensures an ergonomic working ...

Simba L6 C is a long-hole drilling rig which is designed for drilling parallel holes downward and upward with a spacing of about 3 m. It is suitable for use in ...

Technical specification A versatile long hole drilling solution adapted for small- to medium-sized drifts. Drilling with hydraulic tophammer rock drill in the hole range 51-89 mm. Boom-mounted ...

Features The Simba M7C is a very mobile electric hydraulic, top hammer production drill rig, capable of drilling in drive sizes larger than 4.5m to 4.5m. By utilising a range of drifters, this ...

Pneumatic rock drills Surface and underground rock drills, for light and heavy drilling jobs. From blast hole drilling, to quarrying, anchor and wedge hole drilling, raise driving and bolting, these ...

ATLAS COPCO SIMBA M6 C Features Production long-hole drilling rig with top hammer drill. The Rig Control System (RCS) provides efficient and high precision long hole drilling, and also ...

As an industry leader in new and used drilling rig equipment for sale and rent, Rig Source has partnered with Atlas Copco to offer an extensive range of core drill ...

## Atlas copco long hole drill rigs

Atlas Copco is touting the ability of its Simba S7 long-hole drilling rig to operate precisely in tough conditions, including small to medium drifts. It ...
