

Atlas copco surface drill rigs

New standards of performance and productivity Atlas Copco's ROC series of crawler rigs have earned an enviable reputation for outstanding performance in the toughest conditions.

Epiroc is one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For ...

FlexiROC D65 Surface drill rig for aggregate and limestone quarries, surface mining and construction Maximizes your productivity and efficiency due to optimum DTH performance ...

Atlas Copco Surface Drill Rig ROC L6, Find Details and Price about rigs drill rigs from Atlas Copco Surface Drill Rig ROC L6 - Shanghai Bestrand International ...

Christensen CS14 is a trailer mounted medium sized core drill rig for surface exploration applications. Now manufactured in Sweden, CS14 is built on the well proven Christensen ...

A selection of options on ROC D7 and ROC D9 For a more comprehensive list, please contact your local Atlas Copco Customer Center, or look in the technical specification for ROC D7 and ...

AirROC T35 is equipped with VL140 drifter for Top Hammer application (64mm-102mm) AirROC D45 / D50 is equipped with BRH / ARH rotary head for Down-the-Hole drilling (105 -140mm)

The ROC F9 features a drill feed system for 6.1 m (20 foot) drill rods, with a maximum hole depth of 36 m (118 feet). Please contact our local company for further information and technical data.

Surface Rock Drills Make every liter of air count. Every pneumatic underground rock drill combines lightweight, high torque, and high impact energy. Use underground pneumatic rock ...

New Generation Surface Rock Drill Our pneumatic rock drills (SRD range) is designed for production drilling in quarries and dimension stone industry drill up to 6m in depth, also making ...

Atlas Copco's patented system for drilling straight holes fast New standards of performance and productivity Atlas Copco's ROC series of crawler rigs have earned an enviable reputation for ...

Designed by Evolution At Atlas Copco, we never stop learning. Thanks to our strong customer interaction, we are constantly evolving, growing, and learning new ways to get the job done ...

The less homogeneous the rock formation, the harder it is to drill straight blastholes and keep your

Atlas copco surface drill rigs

productivity at top level. The ROC 460PC DTH crawler gives you the solution by ...

This document provides technical specifications for the Atlas Copco ROC D3 surface drill rig. It details dimensions, engine specifications, hydraulic and ...

Our range of surface rock drills is ready to tackle any job: horizontal or vertical, light or heavy. Our light pneumatic rock drill can drill up to 2 m deep whereas ...

90 deg. Indexed Drill Guide Arc T45 X 12" X 6 for 63 mm Coupling Auto Drilling System (Montabert) Auto Rod Thread Greaser Back Mirror Back Up Alarm Drifter Hour Meter Dust ...

Thanks to the SmartRig from Atlas Copco you can now drill smarter holes. Each hole you drill saves you time and earns you money. With its high shift capacity, low energy consumption ...

Atlas Copco ROC D5 and ROC D7 drill rigs are designed to handle the most demanding drilling applications in the 35 to 102 mm diameter hole range. ROC D5/D7 drill rigs combined a low ...

Used Surface Drill Rigs for sale With hundreds of parts and fully assembled machines, GovPlanet offers you excellent choice. You can buy and sell Surface Drill Rigs from any all ...

TH60 Water Well Drill Rig Exploration drilling rigs These Atlas Copco drilling rigs focus on ground exploration and investigation, as well as ore body definition and reserve evaluation. Atlas ...

Versatile and powerful Atlas Copco ROC D5 and ROC D7 drill rigs are designed to handle the most demanding drilling applications in the 35 to 102 mm diameter hole range. ROC D5/D7 drill ...

Atlas Copco is introducing a new drilling rig, the SmartROC D60, which drills accurate quarry, construction and surface mining blastholes from 4 ...
