

Atv drilling rig

The B53 is a compact hydraulic drill that has been sized for mounting on a variety of carriers. It is great for multi-purpose rigs and angle drilling with a retract force of 24,000 lbs and a pulldown ...

The angle drilling system will also allow you to drill vertically with the carrier positioned on an uphill slope. That can eliminate the time-consuming job of ...

All-Terrain Drilling Machine Here are some views of the CME 550 rubber tired ATV drill rig. It was parked at a landfill. This machine is able to traverse terrain that is very soft and/or muddy. It is ...

CME - Auger drill rigs and drilling equipment for the geotechnical, environmental, mineral exploration, and construction industries.

DA Smith's CME-55 drilling fleet includes versatile, self-contained vertical and angle-capable geotechnical rigs capable of both auger and core drilling. All ...

The addition of the new drill rig expands the capabilities of our current fleet of ATV, truck, trailer, and barge mounted rigs. ATL took delivery ...

Truck, trailer, skid, ATV, tracked carrier, helicopter-portable... The CME-45C can be configured to fit your specific drilling applications. + Patented by Central ...

It can reach areas inaccessible to truck mounted rigs. With 28,275 pounds of retract force and up to 14,200 foot pounds of rotary torque, the CME-850 is capable of drilling holes up to 15 inches ...

The compact ATV drill rigs are designed to adapt to your changing work roles - no matter how remote the site or uneven the ground. These high-capacity, ...

This rig can get to jobs inaccessible to truck-mounted rigs. With its built-in auger racks, toolboxes and water tanks, the CME-750X carries ...

Spike's Rigs has a Mobile B53 ATV Auger Drilling Rig for Sale. Call or email for price, details and location. Spike's Rig Sales 888-204-3907

Our all-terrain drilling capabilities allow us to make drilling easier than ever with environmental, geotechnical, odex, rotary drilling/soil sampling, and coring just ...

The CME-750 ATV BUGGY RIG is a veteran of the drilling industry and it remains in demand today due to

Atv drilling rig

its unique combination of versatile rubber tire all ...

A 12-volt power source can be provided at the drill control panel to accommodate electronic devices associated with CPT procedures. Mounting for depth ...

Spike's Rigs has a Mobile B53 ATV Auger Drilling Rig for Sale. Call or email for price, details and location. Spike's Rig Sales 888-204-3907.

Like every CME all-terrain and rough-terrain drill, the CME-55LC/300 track drill uses a single engine power source for both the drill and carrier. This means lower operating costs and less ...

Drill sliding base, in-out and sideways Both in-out and sideways slide bases are standard equipment on the CME-55/300 track drill. An 18 inch (45.7 cm) in-out ...

A powerful mechanical drill on a specifically designed rubber tire all-terrain carrier, the CME-550X is the ideal drilling rig for off-road boring sites.

ATV Drilling Capabilities Drive and Wash & Hollow Stem Auger Capable NEBC has both Track-Mounted and Rubber-Tire ATVs to adjust to your specific ...

As our workload and opportunities increase, ATL identified the need to purchase a low-profile drill rig to meet client's needs. The addition of ...

The new CME-750X rubber-tired ATV drill has been updated with a new Cummins diesel engine meeting U.S. EPA Tier-4 Final emissions ...

Throughout the last decade, the versatile Acker SOIL-SCOUT has become a favorite of many drilling contractors throughout the country...and for good reason. At only 47-1/2" [1.21 m] wide, ...

Drill rigs and mineral exploration drilling equipment for CME rubber tire ATV, truck, track carrier, trailer and skid mounted geotechnical drilling rigs.

Utilizing a range of truck mounted and ATV mounted drill rigs we have the flexibility to complete almost any project that comes before us. Our drillers are capable of using a variety of drilling ...

It excels in confined and limited-access areas, offering auger drilling, mud rotary, and rock coring capabilities. Mounted on a UTV platform, it provides both ...

Track mounted drill rig options engineered to succeed off road. Track drill rigs for sale include geotech, combination, or direct push track drill rig.

Atv drilling rig

Cummins QSB 4.5L [275 cubic inch] 4 cylinder turbocharged and charge air cooled diesel, for both driving and drilling. Dependable mechanical rotary drive provides 9,075 foot pounds ...

Notable projects include drilling a 6" steel double cased well through the overburden to set a monitoring point into bedrock at 250". Mud rotary drilling to ...
