

## Automatic down-the-hole drilling rig

B1B automatic rod changing down the hole drilling rig GIA B1B has advanced technology and mature down the hole drilling method. It has reliable performance and high drilling quality. It is ...

JK730-2 crawler mounted automatic rod exchange DTH drill rig is a hydraulic DTH drill rig. It is equipped with automatic rod changer for rod storage, ...

SDA-45 Integrated DTH Blast Hole Drill Rigs is with automatic rod change, built-in air compressor, one person operate, saving labour cost and saving time of changing drill rod, a ideal borehole ...

MWYX series products have the characteristics of high efficiency, environmental protection, energy saving and safety. Automatic drill change and powerful off ...

Crawler Blasting Rig ZT5 Mining Blast Hole Down The Hole Drilling Rigs With Built-in Compressor ZT5 integrated open-air DTH drilling rig is an advanced ...

We provide a wide range of mining drilling rigs such as Down-the-Hole (DTH), Top Hammer (TH), Underground Jumbo (UJ) and Water Well drill rigs, Diesel and Electric Energy saving air ...

Drilling Rig For Sale We offer a full range of drilling rigs serving the geotechnical, environmental, geothermal, core, oil and gas, water well and blast hole drilling industries. jk Drilling's ...

The advantages of rotary drilling include: 1. High efficiency performance: This rotary drilling rig adopts a four girder multifunctional hydraulic rotating leg ...

Designed for DTH blasthole drilling in mining, quarry and construction industries, it comes with an operator's cabin, fixed boom, dry dust collector and drill pipe ...

An integrated down the hole drilling machine, also known as a one-piece drill rig, or crawler DTH drilling rig is a powerful and versatile machine used in the ...

This integrated down the hole drill rig combines air compressor and drilling functions, perfect for DTH boring machine operations in mining.

Esun Equipment CO. Located in Hunan, China, we have been specializing in the R& D and production of rock blasting drilling rigs, water well drilling rigs, ...

Heavy duty Down the hole blasting hole Drill with automatic carousel and built-in air compressor WITH

## Automatic down-the-hole drilling rig

BUILT-IN AIR COMPRESSOR+ROD ...

JK Drilling is a leading dth boring machine supplier, offering crawler mounted hydraulic down the hole drill rigs. Our rigs can drill holes ranging from 90-305mm in diameter and 18m-200m in ...

Automatic integrated DTH/down the hole multifunction drill/drilling rig with closed cabin and carousel system Dragon GP730 automatic crawler DTH drill is a ...

Automatic rod changer device of split hydraulic surface down-the-hole drilling rig The drill rod storage device can accommodate five drill rods, which can ...

The flushing drill fluid rises inside the drill rod and brings the drill cuttings to the surface. This technique can be used for soil or rock drilling. Down-the-Hole ...

JK730-2 crawler mounted automatic rod exchange DTH drill rig is a hydraulic DTH drill rig. It is equipped with automatic rod changer for rod storage, changing and connecting automatically, ...

RCZ440 hydraulic automatic DTH drilling rig, Compact size but powerful drilling capability. Applicable in surface quarry mining and varieties of bench blast hole drilling for mid soft and ...

Epiroc's drilling rigs offer a variety of feed lengths, positioning configurations, rock drills, and optional automated features for underground production drilling and ...

Integrated Automatic Down The Hole Drilling Rig Easy to Operate, Find Details and Price about Mining Machine Down-The-Hole Drilling Rig from Integrated Automatic Down The Hole Drilling ...

The KT11 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes. mainly used for open-pit mine, stonework ...

Company Introduction: ZEGA Company is a leading company in the field of mining & construction equipment manufacturing. We provide a wide range of mining drilling rigs such as Down-the ...

KT25 open-pit down-the-hole drilling rig is a new type of drilling equipment carefully designed for the needs of large open-pit mines on the basis of years of development and production of ...

Sandvik Mining and Rock Solutions is evolving its Leopard(TM) DI650i down-the-hole (DTH) drill rig to support fully autonomous operation. The new iDrill automation platform ...

The KT15C integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast ...

## Automatic down-the-hole drilling rig

SDA-45 Integrated DTH Blast Hole Drill Rigs is with automatic rod change, built-in air compressor, one person operate, saving labour cost and saving time of ...

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre-splitting holes, It is driven ...

Equipped with Yuchai Tier III 176kw or Cummins Tier II 179kw power, including 18/18 built-in screw machine (displacement 18m<sup>3</sup>/min. pressure 18bar). Aperture diameter 115-130mm. ...
