

B175 drill rig

What is a Casagrande B175 XP-2?

The Casagrande B175 XP-2 is a machine dedicated to giving the specialist contractor equipment to perform large diameter rotary and CFA piling.

What is a B175 XP-2?

It is the result of research and innovation based on over 50 years of experience and success of the company in the field of foundations and geotechnical engineering. Due to the high torque of the rotary head, up to 175 kNm, and to a powerful winch, the B175 XP-2 is able to rapidly drill deep and large piles.

What is a rotary rig?

A powerful drilling rig designed for large diameter rotary and CFA piling with a high-torque rotary head and a smart power management system. Built for efficiency and operator comfort, it meets the highest standards of safety and quality. Crowd winches for CFA. Max nominal crowd force 215,53 kN

Does the B175 XP-2 have a low sound emission level?

The B175 XP-2 has a very low sound emission level as a result of the use of sound-absorbing materials and oil heat exchangers, designed for reducing the overall noise level. The layout of the machine and the wide openings of the canopy offer comfortable and easy access for inspection and maintenance.

FIND A DEALER FIND A DEALER CASAGRANDE IN THE WORLD We can count on a network of 50 active agents and distributors in Europe, Asia, Australia, Africa, the Middle East and ...

Drilling rigs 1675 offers Price from EUR10,000 Price under EUR10,000 Atlas Copco, XCMG, Bauer, and other ones New and used Trusted sellers Currently in ...

Operators benefit from automation of drilling functions, making the rigs user-friendly with complete control of the drilling process. The cab display provides real-time drilling data progress ...

2 days ago; The Casagrande B175XP-2 set up in Low Headroom mode is currently operating on a project where pile installation must be carried out ...

A multifunctional machine capable of drilling boreholes, inserting and extracting casings, and operating a casing oscillator, all while meeting the rigorous safety standards set by the ...
