

Bauer drilling rigs

What is a Bauer rig?

To meet those challenges, Bauer Maschinen offers deep drilling rigs with hook load capacities up to 450 tonnes, enabling vertical and directional drilling down to depths of more than 7,000 metres. Beside the Bauer standard advantages like enhanced rig availability, redundancy of key systems, increased efficien-

Why should you choose Bauer drilling rigs?

With Bauer drilling rigs, you can accomplish your specialist foundation engineering projects in an efficient, safe and sustainable manner. Efficient, because we also deliver matching accessories and all drilling tools from a single source along with the multi-function equipment.

Where are Bauer drilling tools made?

Drilling tools for Bauer large-diameter rotary drilling rigs are manufactured in Kuala Lumpur. Singapore is the base for the Far East repair and general overhaul centre. With its acquisition of Pileco in Houston, Texas, Bauer took the first step to establishing a production location in the USA.

How is a Bauer rig tested?

Each rig is tested to ensure it is stable when fitted out with the equipment ordered for use on it. Bauer also operates a 55 metre deep test shaft to verify the smooth running of its telescopic kelly bars. The object of the testing is to achieve optimum interaction between all the elements, so that the rig can attain its maximum efficiency.

Who is Bauer Group?

The BAUER Group is a leading construction & mechanical engineering company, operating worldwide with its segments Geotechnical Solutions, Equipment and Resources.

Who is Bauer Maschinen GmbH?

BAUER Maschinen GmbH is the world market leader in the development and manufacture of specialist foundation engineering equipment. We set the standard in the industry. BAUER Resources GmbH develops innovations in the fields of drilling and well construction, environmental technology, reed bed technology, mining and remediation.

Find the right drilling tool in just three steps with our Dritoc drilling tool configurator! The KellyLine drilling rigs from Bauer are optimized for kelly ...

Our products When it comes to powerful equipment and plants for specialist foundation engineering, all roads lead to Bauer. Customers around the world rely on us - and not just for ...

The multipurpose rig RB 65 is versatile for applications such as well drilling, raw materials exploration,

Bauer drilling rigs

geothermal heat or geotechnical and seismic drilling. ...

Bauer BG18H, BG30, BG12, BG15, BG28, BG12H, BG26, BG20H, BG11, and BG24H drilling rigs for sale. Find drill rigs, oil and gas equipment on Machinio.

The drilling rigs of our H-line are characterized by a wide mast outreach and fast setup times. Here you will find an overview of all rigs including technical data.

Find the right drilling tool in just three steps with our Dritoc drilling tool configurator! Our multifunctional BG 72 BT 180 is suited for Kelly drilling, soil ...

Whether you are drilling piles, mixing or improving soil, our equipment is as flexible as your requirements. That's why we offer you two series of drilling rigs ...

Equipment Corporation of America is the North American leader in the distribution and service of drilling and pile driving foundation equipment for leading brands ...

Booth FN.519 At the Bauer Group's booth at Bauma, visitors will be able to see exhibitions from Bauer Maschinen, Bauer Mat Slurry Handling ...

than consulting thousands of machines Bauer Maschinen has built since with the first rotary drill rig BG 7, many of them are world - in Siberia as well as in the desert. State of the end-to-end ...

Our duty-cycle cranes, pile driving and piling leader equipment, rigs, mixing and separation technology as well as anchor drilling rigs are synonymous with the ...

Drilling Rigs for Sale Used Drilling Rigs for sale. Pilling Broker offers a wide range of used Drilling Rigs for sale, including some of the leading brands such as used Soilmec, Bauer, ...

Large drilling diameters and drilling depths? No problem for the robust V-line drilling rigs from Bauer. All models and technical data at a glance.

The Bauer RG 21T Drilling Rig is a high-performance solution engineered for a variety of drilling applications. With an operating weight of approximately 71 tons, this rig is designed to achieve ...

BG 24 H (BT 75) PremiumLine Drilling Rig ... Crane Specifications, Load Charts, and Crane Manuals are for *Reference Only* and are not to be used by the ...

With our efficient rigs for water well construction, geothermal heat and exploration, you can stay mobile. Discover them now! We would be happy to ...

Bauer drilling rigs

The Bauer BG55 is a powerful, advanced vertical drill rig designed for heavy-duty geotechnical and foundation work. It features high torque output, exceptional ...

The Bauer BG 25 C rotary drilling rig has an operating weight of approx. 74, 000 kg with a torque of 245 kNm and is ideally suited for drilling cased boreholes (installation of the casing by rotary ...

Maschinen machines: machines Bauer Maschinen has built since production fi rst rotary drill rig BG 7, many of them are still in operation Siberia as well as in the desert. State of the art ...

The Bauer Equipment BG40 is a 54-ton track mounted vertical drill rig used primarily for large diameter drilled shafts, deep soil mixing, cased secant piles, ...

Crowd winch type The BG 25C rotary drilling rig has an operating weight of approx. 74 to and a torque of 245 kNm. It is ideally suited for: Drilling cased boreholes (installation of casing by ...

Used Equipment for Rent ECA maintains a deep, diverse and unmatched fleet of rental equipment from leading manufacturers including BAUER, RTG, Klemm, and others. Each piece of ...

Our multifunctional BG 45 on the BS 95 base carrier is suited for Kelly drilling, soil mixing techniques and for carrying out soil improvement measures.

BAUER Drilling rigs are state-of-the-art Kelly drilling rigs as well as multi-functional rigs for various construction methods in special deep foundation engineering. The best choice for challenging ...

BG 24 H (BT 75) PremiumLine Drilling Rig ... Crane Specifications, Load Charts, and Crane Manuals are for *Reference Only* and are not to be used by the crane operator to operate any ...
