# Bg39 drill rig specifications

What is Bauer bg39?

Bauer BG39 conquers all terrains of complex nature,hard and durable foundations such as coastal le vanization stone foundations,Granite foundations. When combined with Kelly 420/470 drilling heads,or larger drilling heads such as D1200,D1000,the Model BG-39 can successfully complete its task of drilling well in any terrain.

How much does a HFDI bg39v weigh?

The BG39V is equipped with an efficient CAT engine,a high-performance hydraulic system and operates at a weight of approx. 310,000lbs(140t). HFDI utilizes this model of drill for the following specialized drilling technologies. Cased kelly drilling for foundation piles and secant piles. Cased kelly drilling with oscillator.

What is BG premium line?

The BG Premium Line stands for multifunction equipment for a variety of foundation construction systems. The selection between two model ranges allows an optimum choice for differing project or transportation requirements. Speed of rotation (max.) Line speed (max.) Line speed (max.) Line pull 420 kN can also be used in 2nd layer

BAUER BG39 track chain is suitable for BAUER BG39 drilling rig, its main function is to transmit driving torque and support the machine body. With the advanced forging technology, the track ...

This sprocket is used for rotary drilling rigs BAUER BG39, with high hardness, wear resistance and durability. It can be used in deep foundation operations such as bridge pile foundations, ...

Drilling Rigs and Duty Cycle Cranes Together with our subsidiaries we manufacture equipment and tools for specialist foundation engineering ...

The Bauer Equipment BG40 is a 54-ton track mounted vertical drill rig used primarily for large diameter drilled shafts, deep soil mixing, cased secant piles, ...

Max. drilling depth (with auger cleaner) 18.0 m 31.0 m Max. drilling diameter 1,200 mm 1,200 mm Max. extraction force with main- 1,030 kN 1,060 kN and crowd ...

Our multifunctional BG 36 H BS 95 is suited for Kelly drilling, soil mixing techniques and for soil improvement. All details can be found in the overview.

Drilling data as shown are based on tool length NL = 1.9 m, minimum horizontal mast reach and using Bauer attachment. Drilling depth is increased by 0.39 m when using maximum horizontal ...

# Bg39 drill rig specifications

Construction machinery - Vertical drilling rig used Bauer BG 39 V - Location: 86529 Schrobenhausen / Germany - DAJR-3876-BL near Neuburg a.d.Donau, Pfaffenhofen an der ...

At Quang Tri wind power site, BG39 with PRD drilling technique and D1200 drilling head, Duafat Group has shown its durability and ability to work ...

Of the thousands of machines Bauer Maschinen has built since production started in the 1970´s with the fi rst rotary drill rig BG 7, many of them are still in operation all over the world - in ...

in manufacturing of foundation equipment (Bauer products and services in the fields of water, energy, environmental technology (Bauer Resources).

Drilling uncased deep boreholes stabilized by drilling fluid, or drilling cased boreholes with installing casings by the rotary drive or by a hydraulic casing oscillator. If Kelly drilling is your ...

This rig has a maximum total mass of 180 tonnes. The functions of the drilling rig are powered by four hydraulic oil pumps, which are powered by a 433 kW-strong CAT C15 diesel engine. The ...

BAUER BG39 Premium Line multi-purpose drilling rig available for immediate sale. Year: 2014 Engine hours: 7,970 Engine: CAT C 15 433 kW Tier 4 final ...

With Bauer drilling rigs, you can accomplish your specialist foundation engineering projects in an efficient, safe and sustainable manner. Efficient, ...

36m?? Bauer BG39 Drill Rig Transport 4 DeBerardinis Heavy Haul is your premier partner for heavy transportation needs. Whether it''s moving a single oversized piece of equipment or ...

Types of Bauer BG39s The Bauer BG39 nondestructive test (NDT) drill is one of many models in the Bauer BG drill family. It is a compact drill used for drilling, sampling, and testing soil at ...

The Rotary Drilling Rig BG 28 H PremiumLine (BT 85) Max. drilling diameter: Max. drilling depth: Max. torque: Max. height: Engine: 2,500 mm 65.7 m 277 kNm 24.9 m CAT C 13 - Stage III ...

The drilling rigs of our H-line are characterized by a wide mast outreach and fast setup times. Here you will find an overview of all rigs including technical data.

40 m Drilling data as shown are based on tool length NL = 1.9 m, minimum horizontal mast reach and using Bauer attachment. Drilling depth is increased by 0.47 m when using maximum ...

Here you can find all the equipment we exhibited at bauma 2025. Download equipment catalog. All brochures and catalogs for our products at bauma 2025.
