What is Big E Drilling?

Big E Drilling is a company that has been executing and exceeding the goals of its clients in an efficient and safe manner since 1981. With a loyal and tenured team on the floor of its high spec walking rigs, Big E Drilling has earned the trust of small operators and major producers alike.

Why should you choose Big E drilling?

The Big E Drilling company has established an excellent reputation with both major and independent operating companies as a professionally operated organization. The drilling rigs and related equipment are continuously maintained and upgraded. This enables us to operate with a minimum amount of downtime per well.

Who erects the best drilling rigs?

We at Refteckare specialists in supplying the best drilling equipment and spare parts, which has earned the reputation of erecting the best drilling rigs today. The OEM's we work with are known for their sturdy dependability and low maintenance.

Why do you need a professional drilling company?

The company is committed to providing its customers with premium equipment, which is operated and maintained by some of the most experienced personnel in the industry. The top priority of the company is to deliver a reliable and consistent drilling operation, while maintaining safety and efficiency.
