

Blast drill rigs

Blast Hole Drills for Sale Buy and sell unused and used Blast Hole Drills at IronPlanet. Blast Hole Drills are a type of heavy equipment machinery that is commonly used around the construction ...

The DM45/50 rotary blasthole drill rig along with their big brother, the DML, are some of the most popular drills in the world for good reason. All three models ...

Manufacturers of the Rotary Drilling Rig Machine. REL Specialized in Rotary Blast Hole Drill Rig, Down the Hole Drills for Mining, Quarrying & Construction.

Blast hole drilling machines are key equipment in both the mining and construction industries. They serve to drill holes into rock formations, ...

Explore a wide range of high-quality blasthole drill rigs for mineral exploration and surface mining. Used drilling equipment, expert brokering services.

Surface drill rigs are used for blast hole drilling in construction, quarrying, and open-pit mining, covering a hole range between 27-229 mm. We offer the ...

Hardrock Blast hole drilling rig is used most frequently in the mineral exploration industry among all the mining drilling equipment. This blasting rig is penetrating the rock via a air driven ...

Sandvik DR416i blasthole drill rig delivers a single-pass capacity of 21 meters (69 ft), the longest in its class along with a maximum depth of 42.4 meters (139ft) ...

Drilling and blasting is one of the most dangerous mining processes undertaken. Degrees of automation enable drill rigs to do much of their work independently, effectively ...

Explore what blast hole drill rigs are, how they work, and why they're essential in mining operations. A simple guide to the machines ...

Surface drill rigs are used for blast hole drilling in construction, quarrying, and open-pit mining, covering a hole range between 27-229 mm. We offer the widest range of surface drilling ...

The ZT44 is a down-the-hole surface drill rig designed for mining-duty applications. It offers high reliability and production with purpose-built structures, a high horsepower engine and large ...

Our blast hole rigs are engineered to deliver unmatched efficiency, precision, and reliability. * Boost

Blast drill rigs

productivity: Drill faster and further with our powerful machines and single-pass ...

The ProVision system promotes improved blast-hole drill rig efficiency, better equipment utilization, more precise hole positioning and depth, and greater compliance with final blast ...

Sunward is a professional mining equipment manufacturers, producing mining drill, rock drilling tools, blast hole drill rig, dth hammer drilling, rig machines and more.

Building on the solid legacy of proven designs, today's Cat® Rotary Blasthole Drills offers substantial technology, efficiency and productivity improvements to efficiently reach your ...

Blast-hole drill rigs are vital pieces of equipment in the mining, quarrying, and construction sectors. These rigs are intended to drill holes in ...

As a leading supplier of rock excavation equipment for more than 145 years, we have gained considerable experience and knowledge of mining techniques ...

Epiroc offers the most comprehensive line of rotary blast hole drilling rigs in the industry. With a multitude of configurations to choose from you can find the perfect solution for your needs.

Our rigs include crawler-mounted diesel engine and electric engine models. All our blast hole models feature a sturdy, well designed chassis. Its structure is ...

Epiroc's drilling rigs offer a variety of feed lengths, positioning configurations, rock drills, and optional automated features for underground production drilling and blast hole drilling in mining ...

The Cat family of rotary drills covers every need and every application, no matter how big or small, no matter how harsh or remote. We offer drills in every size class -- small, medium, ...

Good drilling practices include carefully monitoring drill-rig operating parameters, taking careful notes of the changes in geology during drilling, and effectively communicating to the blasting ...

Discover blast hole and mining rigs built for efficient, reliable drilling. Prime Rigs - your go-to partner for quality mining equipment. Visit our website now!
