

Bulgaria down-the-hole drilling rig rental prices

How much does a drilling rig cost?

Looking at the total cost of a drilling operation means more than just the rig's price. Fuel costs for big rigs can add up quickly, as they run non-stop. For example, drilling a horizontal well can cost over \$4 million and take about three weeks. Another big expense is labor. The job needs skilled people, with 40-50 companies often involved.

How much does a drilling rig cost in 2025?

Here's a table comparing the costs to buy new, buy used and rent a drilling rig in 2025: The cost of buying a new drilling rig ranges from \$3-4 million for basic land rigs to over \$1 billion for advanced offshore rigs.

How much does it cost to rent a rig?

The cost to rent a rig varies by type and location. Onshore rigs cost between \$200,000 to \$310,000 per day. Offshore rigs can be \$600,000 to \$800,000 per day. Buying a rig means a big upfront cost but saves money in the long run for frequent use. It lets you customize the equipment and avoids rental fees.

How much does oil & gas drilling cost?

Knowing these helps you plan your budget for oil and gas projects. Onshore drilling costs between \$200,000 and \$310,000 per day. This price covers basic rig work but doesn't include extra services. Labor costs are a big part of this expense. Offshore drilling is pricier, costing \$600,000 to \$800,000 daily.

How much does a rotary rig cost?

Rotary rigs are common in many fields. Automated drill rigs (ADRs) cost about \$25 million and are key in oil sands. Knowing these types helps estimate costs for specific projects. The cost of a drilling rig depends on several factors. The size of the rig is a big factor, as bigger rigs need more materials and cost more to make.

Should you buy a used drilling rig?

The used drilling rig market is a cost-effective option for operators. Prices change based on age, condition, and demand. On average, machines stay listed for 180 days on used equipment websites. When looking at a used rig, buyers need to think about maintenance costs. These costs can be quite high.
