

Catwalk drilling rig factory

Hydraulic Catwalk HC4500-02 Factory acceptance tests for the second Hydraulic Catwalk to be delivered as part of the contract for 2 A/C Electric Drilling Rigs, ...

The Automated Rig Technologies offers Custom Catwalk solutions for efficient and safe delivery of tubulars from racks to drill floor. Innovative and ...

Catwalk: Navigating the High Ground in Drilling and Well Completion The term "catwalk" in drilling and well completion operations refers to an elevated walkway designed to provide safe access ...

The Automated Power Catwalk is designed to individually index racked drill collars, drill pipe and casing into a center carrier where they are lifted to the drill floor. It can safely and efficiently ...

Types of hydraulic catwalks The hydraulic catwalk is also known as the hydraulic mud mats or the rig hydraulic catwalk. In the drilling industry, it refers to the hydraulic equipment. The main ...

By lifting tubulars towards the drill floor, tubulars can be directly picked up by a Top Drive elevator. A time-consuming interim storage of the tubulars in the mouse hole is not necessary. ...

The noise mitigation systems include impact-dampening material treatment on a rig catwalk and V-door and custom-designed, fabricated, and installed ...

Catwalk: 1. The ramp at the side of the drilling rig where pipe is laid to be lifted to the derrick floor by the catline or by an air hoist. 2. Any elevated walkway 3. a long, rectangular platform about ...

E-mail address: fengd0861@163 (D. Feng) In order to improve the automation of drilling rig and meet the needs of safety and efficiency, the automatic catwalk machine has become a ...

The SmartCat catwalk machine offers safe and efficient transport of drillpipe, collars, casings, subs, and other equipment from the pipe deck or ground level ...

China Catwalk wholesale - Select 2025 high quality Catwalk products in best price from certified Chinese Fiberglass manufacturers, Steel Structures suppliers, wholesalers and factory on ...

Pipe Handling / Riser Handling Future Production delivers tailor made pipe and riser handling equipment to newbuilds or retrofitted to existing rigs, floaters or jackups. Deliveries typically ...

Columbia manufactures a variety of pipe handling equipment, providing a reliable and effective way of

Catwalk drilling rig factory

moving drill pipe and other handling equipment on and off ...

2. n. [Drilling] The open location on a mast-type rig (nonderrick) that functions like the vee-door. At least two sides are open on most mast rigs. Hence, the open side adjacent to the slide and ...

The document discusses hydraulic catwalk machines that can reduce risks and improve efficiency when handling pipes and tubing during drilling operations. It ...
