

China-Africa Screw Air Compressor Rental Company

What is air compressor hire?

Our compressor hire division aims to provide all customers with air; from small homeowners to big mining and industrial companies. No matter the size of the requirement, we can supply every customer with air compressor for hire solutions. We offer a wide range of air compressors for rent.

What is a compressed air lease?

Typically, compressed air installations are configured to cater your peak demands. When your compressed air demands fluctuates significantly (eg due to peaks, projects, seasonality...) you can consider a (partial) compressor lease. This limits the costs of ownership: depreciation, maintenance, downtime...

Does Goscor offer air compressor rentals?

Upgrades or replacements of the equipment require a small adjustment to the regular payment rather than a lump sum upfront investment. At Goscor Compressed Air, we offer air compressor rentals as part of the turnkey services offered to customers; along with new compressor sales, parts, servicing, and flexible finance options.

Why should you choose a mobile air compressor for rent?

When it comes to air compressors, having the option of air compressors for rent is essential for many customers in today's market environments. The advantages of choosing mobile compressors for hire from Goscor Compressed Air include:

How long does a compressed air rental agreement last?

Let us keep your company's compressed air flowing! Our rental agreements provide clients with full peace of mind when it comes to compressed air. Our finance options include service agreements for the full 5-years +1 month. After 61 months, you have the option of either renewing your agreement or taking out a stand-alone service package.

Should you lease a compressor?

When your compressed air demands fluctuates significantly (eg due to peaks, projects, seasonality...) you can consider a (partial) compressor lease. This limits the costs of ownership: depreciation, maintenance, downtime... Wondering whether leasing a compressor is relevant for you? Take our usership versus ownership calculation.
