

China Water Well Drilling Rig Rental Information Network

What is China drilling rigs?

China Drilling Rigs is a platform where we market, sell and rental drilling rigs made in china. We collaborate with all major manufacturers from china, and also help sell new rigs and also sell used surplus rigs, please feel free to register to our website or contact us if you have any rigs to sell.

Where can I rent a drill rig?

Currently, our available stock of drill rig rental equipment includes: Mobile Drill Intl, GTechDrill, VersaDrill Canada, Diedrich Drill, and more as well as various support equipment. Rig Source is experienced with shipping rental drill rig and rental crawler carrier units throughout the US and Canada, and has competitive weekly or monthly rates.

Where can I buy water well drilling rig supplies?

Call NDS for one stop shopping on all your water well drilling rig supplies, whether it is for your tophead drive or rotary table drive drilling rig.

Why should you rent drilling equipment from rig source?

Renting drilling equipment from Rig Source minimizes any concerns of maintenance, depreciation, and storage, allowing the drilling professionals to solely focus on their drilling projects. At Rig Source, many of our clients prefer rentals over new equipment because we have much more availability in our fleet.

What is a core drill rig?

A core drill rig is a specialized piece of equipment for core sampling. They allow professional drillers to extract a piece of the ground by drilling cylindrical holes in the surface, simplifying the drilling process and eliminating the need for purchasing specialty equipment.

What is an environmental drill rig?

Environmental drill rigs are a tool to investigate environmental conditions at a construction site. These rigs are important for identifying areas of soil or groundwater contamination and making sure that projects align with environmental regulations. Our rig rental options include brands like Diedrich, CME, Mobile Drill, and more.
