

China face drilling rigs

Compact dimension, minimum 1.9 x 1.9m working section; Fast drilling speed, equipped with 18kW rock drill, up to 3m/min; Remote control operation, easy to learn and safe operation.

Attributes of Face Drilling Rigs One of the greatest advantages of a face genuine rig is its capacity to drill through tough materials quickly and effortlessly. Furthermore, get ready to revolutionize ...

JINFAN is China drilling rig manufacturer, offer hydraulic crawler drilling rig, anchor drill rig, water well drilling rig, core drilling rig, in addition to drilling tools such as DTH hammer, eccentric ...

Usage The face drill rig is versatile and that can be utilized for different applications, such as for example tunneling, mining, construction, and geotechnical drilling. It may drill holes of various ...

A professional wheel drilling jumbo manufacturer in China. The wheel drilling jumbo is mainly used in mining, metallurgy and other departments of the tunnel, culvert tunneling engineering.

Are you in the market for a reliable drilling machine and wondering which manufacturers in China stand out? Navigating the landscape of top-tier ...

KAISHAN provides a full range of drilling rigs designed for different applications in the mining, tunneling, and other infrastructure industries. Our product line ...

Welcome to Jiangxi Siton Machinery Manufacturing Co., Ltd.! Professional underground machine manufacturer since 1992 in China! We provide provide complete sets of equipment and ...

Face drilling rig is the rock drilling equipment traveled automatically, which are used for supporting, advancing, and moving one or more rock drills for the excavation of ...

Z20 two booms underground drilling jumbo is specially developed and manufactured for tunnels of high-speed railway, water conservancy and hydropower projects, national defense and other ...

The rock face drill rigs market in China is witnessing robust growth, driven by ongoing infrastructure projects, mining expansions, and governmental initiatives promoting industrial...

Drill Jumbos Series Product Our advanced underground drilling jumbo products are engineered for precision and efficiency in mining tunnels. Equipped with ...

Epiroc's rugged face drilling rigs are built for blast hole drilling in underground mining and tunneling. Choose

China face drilling rigs

your model of jumbo here and read more!

Drill Jumbos Series Product Our advanced underground drilling jumbo products are engineered for precision and efficiency in mining tunnels. Equipped with powerful rock drills, this versatile ...

Face drill rigs from Siton are utilized in many applications, from mining and construction to oils and fuel drilling. They've been suitable for drilling in hard ...

The durable and robust Boomer M1D and M2D rigs are hydraulically controlled mining and tunneling face drilling rigs. With the strong BUT 36 S boom, these ...

Face Drill Rigs Z20 Multifunctional Double Face Drilling Jumbo for Full-section Tunnel DW1-24 Single-boom Face Drill Rigs for Underground Narrow Tunnel DT1-14 Crawler Hydraulic Face ...

New Face Drilling Rig products manufacturing in China, with stylish and cool design emerge. Source new and latest Face Drilling Rig products in 2024 from credible China manufacturers, ...

FACE DRILL RIG WD561-N, UNIROC For 4-12m; mining roadway, pumped storage power station, hydroelectric power station, reservoir irrigation hole digging drilling work and anchor hole work.

The durable and robust Boomer M1D and M2D rigs are hydraulically controlled mining and tunneling face drilling rigs. With the strong BUT 36 S boom, these rigs are built with safety and ...

Face Drill Rigs DW2-180 Double-boom Face Drilling Rig Jumbo for Full-section DW3-180 Three-boom Face Drilling Jumbo for Medium Large Tunnel PREV 1 2 NEXT

The company, Prospering International Inc. (PIINC), specializes in the research, design, manufacturing, and marketing of oil drilling rigs and equipment for oil ...
