

Comacchio mc 1200 drill rig operating weight

MachinesBroker is a brokerage company operating in the field of used special equipment, with a marked specialization in Trencher, Trenchless (HDD-No-dig) and Hydraulic Pile Driver ...

Suitable for specialized works of civil engineering such as micropiles, anchors and ground consolidations, as well as geognostic-environmental soil investigations and core drilling, The ...

The MC 4 D is a hydraulic drilling rig with separate power pack, specifically designed for the execution of ground engineering works in confined or low ...

Hammer & Steel sells and rents Comacchio MC 28 HD drilling rigs for specialized work including ground consolidation, anchor drilling, water well drilling and ...

The MC 22A is the new MC 22 drill rig version featuring the innovative hydraulic rod & casing carousel. The machine is completely remote controlled, thanks to ...

Compact dimensions. The MC 4 is a drilling rig weighing 4t equipped with a robust 5000 daN mast featuring simplified articulation. The rig can be ...

Hammer & Steel, Inc. sells and rents Comacchio MC 22 drilling rigs for specialized work including ground consolidation, anchor drilling, water well ...

The MC 15 is a compact high-performance drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting and ...

16/04/2025 The iconic MC 22, formerly known as the MC 1200, returns in its most advanced form yet. Presented at the Open House in 2024 and at Bauma 2025, the latest restyling of this ...

Each rig can be used for rotary and rotarypercussive drilling, for single head or double head applications. Comacchio drills can be tailored to meet your specific requirements. Single Head ...

The Comacchio MC 1200 and MC 1200P models were chosen for a job requiring shallow micropiles. The document provides information about the specifications and applications of the ...

Description Used Comacchio MC-F04.1 Geotechnical Drill Rig for sale. 9,231 Hours Top hammer HB45A Rotary head Eurodrill RH2100

Comacchio mc 1200 drill rig operating weight

Used Comacchio MC1200 Micro Piling Rig for sale. 5,000 Hours 2.500 - 4.000 mm Mast Feed 55kN Feed Force 55kN Retract Force 80-290rpm Rotary Drill Speed 45-420mm Clamp Range ...

The MC 12 P is a versatile and powerful hydraulic drilling rig covering a wide range of engineering works such as micropiles, anchors, soil nailing and ...

Comacchio's 2024 Open House: on 17 and 18 October Comacchio's production facility in Castello di Godego was the setting for the Italian rig manufacturer's Open House, ...

Thanks to our dense network of contacts, from Eastern Europe to North Africa to South America, those who rely on us multiply opportunities in the sale and purchase of used machinery.

Hammer & Steel sell and leases Comacchio MC 14 drilling rigs for projects including ground consolidation, geotechnical work, and anchor drilling.

The enhanced stability and mobility required while operating with such heavy drilling systems is achieved through the new patented undercarriage, making ...

MC 1200: A hydraulic crawler mounted drill rig able to operate all rotary and / or rotary percussive drilling system. Suitable for specialized works of civil engineering such as micropiles, anchors ...

The result is the great versatility in the use of these drilling rigs: our fully articulated rigs cover the entire spectrum of geotechnical engineering applications (micropiles, anchors, tie rods, soil ...

The MC 16 is part of the Comacchio line-up of drill rigs for vertical applications. The mast design of these rigs was simplified to raise from its near horizontal ...

The document discusses the Comacchio MC 1200 drilling rig. It states that the MC Line from Comacchio includes drilling rigs with hydraulic power packs onboard or separate, capable of a ...

Thanks to the powerful engine and advanced modular hydraulic circuits, the MC 12 P can utilize a wide range of rotary heads, hydraulic drifters, double head ...
