

Comacchio mc 1200 drill rig weight

Each rig can be used for rotary and rotarypercussive drilling, for single head or double head applications. Comacchio drills can be tailored to meet your specific requirements. Single Head ...

Come tutte le macchine Comacchio, la MC 8D pu essere personalizzata in funzione delle speciÞche esigenze. The MC 8D is a versatile and powerful hydraulic drilling rig, designed for ...

Used Comacchio MC1200 Micro Piling Rig for sale. 5,000 Hours 2.500 - 4.000 mm Mast Feed 55kN Feed Force 55kN Retract Force 80-290rpm Rotary Drill Speed 45-420mm Clamp Range ...

MC LINE With almost 40 models ranging from 2 to 40 tons, the Comacchio MC line offers the industry's most comprehensive line up of drilling machines that cover the entire range of ...

The Comacchio drilling rigs are suitable for several types of specialized works including ground consolidation, anchor drilling, geotechnical works, water well drilling, and geothermal energy.

Hammer & Steel, Inc. sells and rents Comacchio drilling and pile driving rigs in the U.S., and has brochures available for the MC and CH lines.

The MC 16 is part of the Comacchio line-up of drill rigs for vertical applications. The mast design of these rigs was simplified to raise from its near horizontal ...

The machine is suitable for specialized works of civil as well as geognostic - environmental soil investigations and core drilling. MC 1200: A hydraulic crawler mounted drill rig able to operate ...

Comacchio MC1200 drilling rig sale advertisement from the United Kingdom Price: EUR103,900 Year of manufacture: 1999 Running hours: 5000 h TD43603 ...

In addition, the MC 6 carries an exceptionally powerful engine for its weight category, and combined with the machine's advanced modular hydraulic ...

MC 15 Versatility and Power The MC 15 is a compact high-performance drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting ...

MC 12 Patented mast articulation system The MC 12 is a versatile and powerful hydraulic drilling rig, designed for civil engineering works such as micropiles, ...

MachinesBroker is a brokerage company operating in the field of used special equipment, with a marked

Comacchio mc 1200 drill rig weight

specialization in Trencher, Trenchless (HDD-No-dig) and Hydraulic Pile Driver ...

The MC 9 LR is a versatile and powerful hydraulic drilling rig designed for foundation and ground improvement applications with the use of all rotary and/or rotary-percussion drilling systems. ...

The MC 8D is a versatile and powerful hydraulic drilling rig, designed for civil engineering works such as micropiles, anchors and ground improvement in ...

MC 1200: A hydraulic crawler mounted drill rig able to operate all rotary and / or rotary percussive drilling system. Suitable for specialized works of civil engineering such as micropiles, anchors ...

The MC 9 LR is a versatile and powerful hydraulic drilling rig designed for foundation and ground improvement applications with the use of all rotary ...

Heavy duty Born as the heavy duty version of the MC 22, the MC 28 is the optimal solution to take on particularly heavy works even when space is ...

Jet grouting The MC 30 is a high performance hydraulic drilling rig designed for civil engineering works such as micropiles, CFA piles, jet grouting and ...

The MC 14 features an innovative undercarriage offering enhanced stability and maneuverability on uneven ground while keeping the rigs width within a ...

The MC 4 D is a hydraulic drilling rig with separate power pack, specifically designed for the execution of ground engineering works in confined or low ...

The Comacchio MC 1200 and MC 1200P models were chosen for a job requiring shallow micropiles. The document provides information about the specifications and applications of the ...

The document discusses the Comacchio MC 1200 drilling rig. It states that the MC Line from Comacchio includes drilling rigs with hydraulic power packs onboard or separate, capable of a ...
