

Comacchio mc 1200 drill rig

16/04/2025 The iconic MC 22, formerly known as the MC 1200, returns in its most advanced form yet. Presented at the Open House in 2024 and at Bauma 2025, the latest restyling of this ...

The MC 12 is a versatile and powerful hydraulic drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting and ground improvement in general. The rig's ...

The MC 9 LR is a versatile and powerful hydraulic drilling rig designed for foundation and ground improvement applications with the use of all rotary ...

Heavy duty Born as the heavy duty version of the MC 22, the MC 28 is the optimal solution to take on particularly heavy works even when space is ...

Variety of movements The MC 22 is the iconic rig of the Comacchio fleet. Conceived in 1997, the MC 22 was the first drilling rig equipped with the ...

Suitable for specialized works of civil engineering such as micropiles, anchors and ground consolidations, as well as geognostic-environmental soil investigations and core drilling, The ...

The MC 4 D is a hydraulic drilling rig with separate power pack, specifically designed for the execution of ground engineering works in confined or low overhead spaces and difficult access ...

The hydraulic drilling machine COMACCHIO MC 1200 has an engine with a power of 132 kW and a maximum width of 2500 mm. The useful stroke of the rotary is modular, so it can be: 7200 or ...

Multipurpose drill rig COMACCHIO MC600 with ROLLSTAR hydraulic motor engine on drill head Rig is dedicated for micropiling, core drilling, geothermal, water wells Very nice ...

Each rig can be used for rotary and rotarypercussive drilling, for single head or double head applications. Comacchio drills can be tailored to meet your specific requirements. Single Head ...

Comacchio MC1200 drilling rig sale advertisement from the United Kingdom Price: EUR103,900 Year of manufacture: 1999 Running hours: 5000 h TD43603 ...

Comacchio MC 1200 - Panamá Hardbanding is a process that applies a hard material to tool joints on drill pipe to increase their durability. A 2009 Comacchio MC 1200 hydraulic crawler ...

The flexible design of Comacchio GEO rigs and the use of a comprehensive choice of rotary equipment and

Comacchio mc 1200 drill rig

on-board accessories ensures that each set-up incorporates the ability to ...

Thanks to our dense network of contacts, from Eastern Europe to North Africa to South America, those who rely on us multiply opportunities in the sale and purchase of used machinery.

Multipurpose drilling rig with 10,000 working hours CT55 rotary head (max torque 1230daNm), Mast length 9550mm Stroke 7200mm Double clamps (min/max opening 45/360mm Amco ...

Hammer & Steel, Inc. sells and rents Comacchio drilling and pile driving rigs in the U.S., and has brochures available for the MC and CH lines.

Hammer & Steel sells and rents Comacchio MC 28 HD drilling rigs for specialized work including ground consolidation, anchor drilling, water well drilling and ...

The MC 30 is a high performance hydraulic drilling rig designed for civil engineering works such as micropiles, CFA piles, jet grouting and consolidations in general.

The MC 15 is a compact high-performance drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting and ...

Compact size and high performance The MC 6 is a hydraulic drilling rig designed for the execution of ground engineering works in confined or low overhead ...

The Comacchio MC 1200 and MC 1200P models were chosen for a job requiring shallow micropiles. The document provides information about the specifications and applications of the ...

The MC 4 D is a hydraulic drilling rig with separate power pack, specifically designed for the execution of ground engineering works in confined or low ...

Comacchio mc 1200 drill rig
