

Compact driller rig

When it comes to water well drilling, a small rig doesn't require sacrificing production. With today's technology, small drill rigs provide just as much ...

Our MA-23, MB-23, MB-38, MC-23 and MCX-38 are mini rigs with SPT Autohammer, the MA-23 can also perform rotary drilling and both can be ...

Micropile drilling rigs | Choosing the right drilling rig Many jobs require drilling, for example: Drilling wells: whether it's to access groundwater or oil. Geothermal ...

Mini Drill Rig The Most Compact Drill Rig on The Market SEE ALL PRODUCTS Suitable for Excavators from 1-4 tons Available in Steel & Aluminium Perfect ...

The HR 120 is a multipurpose compact drilling rig suitable for medium to large diameter drilled shafts, for drilling in any kind of soil by using a rotary system with kelly bar, augers and ...

The Geoprobe 420M is a compact, limited-access drill rig designed for projects where space is restricted. Despite its small size, this rig is highly capable, ...

MDR Mini Drill Rigs are produced in Denmark with more than 20 years of experience, and we have recently developed a simple drill rig with mechanical ...

Compact Drill Rigs Our compact drill rigs are crawler rigs from 30 to 150 Tons of pull back force and developing rotational torque from 12 kNm to 70 kNm. Control cabin and up to 1,600 LPM ...

Discover our range of compact drilling rigs, engineered for performance and designed for versatility. Our compact rigs are the epitome of adaptability, offering customizable services to ...

Our HDD compact rigs can be equipped with a semi-automatic drill pipe supply or, alternatively, with a fully automatic drill pipe magazine. As usual our customers can choose from our full line ...

The Geoprobe 420M is a compact, limited-access drill rig designed for projects where space is restricted. Despite its small size, this rig is highly capable, performing both environmental ...

The MC 15 is a compact high-performance drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting and ...

Commando(TM) DC300Ri drill rig is a hydraulic, self-propelled, compact drilling unit on a four-wheel

Compact driller rig

oscillated drive carrier with full radio remote control. Easily moved from one location to ...

MODEL DESCRIPTION The TSi 150CC Compact Crawler Sonic Drill Rig is a crawler mounted unit with a 225 HP (168 kW) diesel engine that powers all driving, drilling and accessory ...

Modular rigs Our proven Modular Drilling Rig (MDR) technologies are designed to service the platform drilling industry more efficiently and cost-effectively than fixed drilling facilities or ...

Commando(TM) DC300Ri drill rig is a hydraulic, self-propelled, compact drilling unit on a four-wheel oscillated drive carrier with full radio remote control. Easily ...

A compact, mobile drill rig designed for quick setup and ease of moving site to site. Integrated positioner and turntable enables drilling at all angles.

The B 15 drilling rig is ideal for drilling at shallow depths, light to medium-heavy soils and well construction. It is available with an integrated flushing pump on request. The powerful B 15 ...

The compact-class Hütte drill rig HBR 202 E/D is self-contained, fully hydraulic crawler drill rig, which feature a compact and robust design, simple controls, as well as high efficiency. It ...

HBR 504-2: the drilling rig for micropiles and ground anchors Hütte HBR 504-2 is a hydraulic drilling rig for micropiles and ground anchors, foundation construction, soil drilling, slope ...
