

Core rig drill rental

Where can I rent a concrete core drill?

At The Cat Rental Store, you can rent a concrete core drill from a wide variety of rental options. We offer models from Cat and more than 70 other brands in our rental inventory.

Where can I rent a drill rig?

Currently, our available stock of drill rig rental equipment includes: Mobile Drill Intl, GTechDrill, VersaDrill Canada, Diedrich Drill, and more as well as various support equipment. Rig Source is experienced with shipping rental drill rig and rental crawler carrier units throughout the US and Canada, and has competitive weekly or monthly rates.

What is a core drill rig?

A core drill rig is a specialized piece of equipment for core sampling. They allow professional drillers to extract a piece of the ground by drilling cylindrical holes in the surface, simplifying the drilling process and eliminating the need for purchasing specialty equipment.

Which coring rigs are available for rent?

At Rig Source, we have a variety of coring rigs for rent from top-of-the-line brands including Geoprobe, Versatran, and GTech. These rigs are primarily used for mineral extraction, and our exploration drilling rigs help discover valuable resources below the Earth's surface.

Why should you rent a drilling rig?

In the dynamic drilling industry, there is nothing more important than high-quality equipment rentals. Drill rig rentals not only provide flexibility but also ensure that drilling contractors are getting the latest and best equipment without the complexities of owning a rig.

Who is Rig Source?

Rig Source, with our commitment to excellence, stands as a leader in offering some of the best drilling equipment available for rent. Rig Source's extensive inventory is complemented by reliable and highly performing brands such as Geoprobe, Diedrich, Mobile Drill, Versatran, and GTech.
