

Crawler hydraulic drilling rig

The GEO 900 was conceived as a mid-size hydraulic drilling rig for geotechnical works. This rig incorporates a particularly flexible design and accommodates ...

Our crawler drills, built on 60 years of expertise and innovation, offer unmatched versatility and reliability. Compact and powerful, they handle anchoring, micro ...

JK Drilling is a leading dth boring machine supplier, offering crawler mounted hydraulic down the hole drill rigs. Our rigs can drill holes ranging from 90-305mm in diameter and 18m-200m in ...

Fully Hydraulic Crawler Top Drive Drilling Rig Full hydraulic top impact rotary track drill is mainly suitable for tunnel pipe shed supporting hole and pilot ...

Featuring our advanced drilling system, Soosan Crawler Drills are robust deliver high penetration rate and efficient, reliable performance for hard rock drilling. ...

JK830 is an Integrated hydraulic DTH drilling rig dedicated to drilling large bore holes (138-235mm) which brings you more automation, higher working efficiency, better reliability and ...

Featuring state-of-the-art load sensing hydraulic systems, our crawler drills offer exceptional control and precision. Available in both radio-controlled and ...

TAIYE-D6-DTH is a crawler-mounted high-efficiency fully hydraulic integrated drilling rig. It uses diesel and diesel-electric hybrid power to adapt to the ...

The crawler deep well drilling machine is an efficient and multifunctional drilling equipment. It adopts hydraulic technology, equipped with high torque hydraulic motor and outline diameter ...

The crawler-type hydraulic drilling rig consists of a power unit and hydraulic system, a crawler walking mechanism, a drilling frame equipped with ...

400m DTH Water Well Drilling Rig-Specially designed for Water wells,Geothermal drilling and Mineral Exploration, Fitted on Crawler or Truck Carrier.

Over many years, the YG series crawler hydraulic core drilling machine has established itself a reputation for reliability and ease of use. Many YG Machinery drilling rig machines are ...

DTH down the hole full hydraulic crawler drilling rig with Japan standard since 2009.The rotary torque

Crawler hydraulic drilling rig

4200-5100Nm.Hole size: 89-140mm | 3.5-5.5 inch.

Exporter of Crawler Drilling Rigs - PRL High Quality Blast Hole Drilling Rig, PRL Crawler Mounted Blast Hole Drilling Rig, PRL Portable Water Well Drilling Rig ...

Manufacturer of Crawler Drilling Rigs, Pneumatic Drill Rig & DTH Drilling Rig offered by Zhengzhou Qugong Machinery Equipment Co., Ltd., China

Drilling Rig Manufacturer in China JINFAN Drilling Equipment Company is a renowned drilling rig manufacturer and supplier in China. Our most popular products include a hydraulic anchor drill ...

A crawler hydraulic drilling rig is a fully hydraulic rock drilling rig with a crawler travel mechanism. Crawler hydraulic drilling rigs consist of a ...

A range of hydraulic crawler drill rigs, of different power and equipped with high torque rotators, provide customers solutions to their piling work and deep foundation piles of diameter up to ...

OVERVIEW Featuring our advanced drilling system, Soosan Crawler Drills are robust deliver high penetration rate and efficient, reliable performance for hard ...

SL500S crawler mounted water well drilling Features: The 500 type water well drilling rig is a light, efficient and multifunctional crawler-type full hydraulic drilling rig. It is high efficiency because ...

We specialise in the custom design, manufacture and supply of quality hydraulic exploration drilling rigs, "hands free" rod handling equipment, and drilling equipment in South Africa.

It can effectively solve the problem of difficulties in drilling in loose covered strata, gravel strata, and bedrock broken strata, and has a very wide range of uses.

SL500S crawler mounted water well drilling Features: The 500 type water well drilling rig is a light, efficient and multifunctional crawler-type full hydraulic ...

C5 XP-2 CRAWLER DRILL A multipurpose hydraulic drill rig designed for foundation drilling, offering exceptional performance, fuel efficiency, and ...

Drilling Rig For Sale We offer a full range of drilling rigs serving the geotechnical, environmental, geothermal, core, oil and gas, water well and blast hole drilling industries. jk Drilling"s ...

SM-14 HYDRAULIC DRILLING RIG A new model Soilmecc SM-14 is a multipurpose drilling rig. Its modular design is engineered for the execution of: Micropiles, Tie-backs, Jet-Grouting, Coring, ...

Crawler hydraulic drilling rig

There are two main types of drilling rigs: autonomous crawlers and truck or trailer-mounted. You will need to choose a crawler if it needs to move at a low speed over unlevel areas or on very ...

The equipment combines the strong power of hydraulic drive and the good passability of crawler chassis, which is suitable for mineral exploration, water well drilling and tunneling pre ...

JK730-2 crawler mounted automatic rod exchange DTH drill rig is a hydraulic DTH drill rig. It is equipped with automatic rod changer for rod storage, ...

The pneumatic crawler drill rig is a multifunctional high-efficiency drilling rig, which integrates the functions of rhinestone and air drilling. It has the characteristics ...

The crawler hydraulic drilling rig is composed of a power unit and a hydraulic system, a crawler traveling mechanism, a drill frame equipped with a ...
