

This document provides information about FlexiROC D50/D55/D60/D65 drill rigs, including: - An overview of the principal components and general system ...

The FlexiROC D60 surface drill rig from Epiroc is a perfect balance between productivity and efficiency. It's a proven and dependable rig for DTH drilling in ...

The Epiroc FlexiROC D60 is a powerful and efficient surface drill rig designed for demanding DTH drilling tasks in mining and large quarry applications. ...

PowerROC D60, a hydraulic down-the-hole drill rig, perfectly meets the needs of open-pit mines and quarries when it comes to drilling big holes. With the well ...

Epiroc's SmartROC D60 is a down-the-hole (DTH) surface drill rig incorporates smart features such as automated drilling and rod handling. Drill holes 4.6 to 7 ...

PowerROC D60, a hydraulic down-the-hole drill rig, perfectly meets the needs of open-pit mines and quarries when it comes to drilling big holes. With the well-proven Epiroc technology and ...

The FlexiROC D60 surface drill rig from Epiroc is a perfect balance between productivity and efficiency. It's a proven and dependable rig for DTH drilling in mining and large quarry ...

The Atlas Copco TH60 is a versatile water well drill that can meet nearly any drilling method or geological condition. The 600 hp single engine lightens overall weight and reduces ...

The new efficient SmartROC D60 consistently delivers high-quality blast holes with accuracy and precision. It is loaded with smart features such as automated drilling and rod handling.

PowerROC D60, a hydraulic down-the-hole drill rig, perfectly meets the needs of open-pit mines and quarries when it comes to drilling big holes. Thanks to its reliable performance, it effec ...

The FlexiROC D60 is a robust and efficient surface drill rig tailored for large-scale quarrying and mining operations. Utilizing the down-the-hole DTH drilling method, it is capable of drilling hole ...

RHS 140 is standard on FlexiROC D60. It can handle pipe size 76, 89, 102, 114,127,140 mm. On standard feed, RHS 102 is available as option and can handle pipe size 76, 89, 102 mm.

D60 drill rig

we can do for you, please call 918-207-7800!

Proven and dependable rigs for DTH drilling in mining and large quarry applications, the FlexiROC D60 and D65 are rugged and multifunctional. They are built to take on the toughest drilling ...

EPIROC FlexiROC D60 Drill Rig The FlexiROC D60 is a robust and efficient surface drill rig tailored for large-scale quarrying and mining operations. Utilizing the down-the-hole DTH ...

The FlexiROC D60 and D65 represent the broadest and most versatile product offering, making it the total drilling solution, outperforming in various applications such as: production, pre ...

Excellent combination of value and productivity PowerROC D60 is a drill rig with a high level of productivity and performance when it comes to drilling big holes ranging from 110 mm to 178 mm.

Capable of drilling holes ranging from 4.3 to 8 inches (110-203 mm) in diameter, with a maximum depth of 55 feet (16.8 meters), the SmartROC D60 is perfect for production drilling and pre ...

Atlas Copco is introducing a new drilling rig, the SmartROC D60, which drills accurate quarry, construction and surface mining blastholes from 4 ...

Epiroc has launched the tough and highly regarded PowerROC D60, equipped with a Tier 4 engine, onto the global market. "With this launch, our customers have the ...

The SmartROC D60 is an intelligent down-the-hole drill rig for quarrying and mining applications. It delivers high-quality blast holes with accuracy and ...

Leopard(TM) DI650i is an intelligent diesel-powered, self-contained, crawler-mounted down-the-hole drill rig built for demanding high-capacity production drilling applications in surface mining and ...

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For ...

Epiroc will exhibit rock drilling tools solutions perfect for integration with the FlexiROC T30 R, PowerROC D60 and SmartROC D60 drilling rigs on ...

Drilling performance and strength Built to the highest standards, the TH60 has a long history for robust and reliable performance. This top-head drive PTO drill rig has a strong, mid-weight ...

The PowerROC D60 is a hydraulic down-the-hole drill rig designed for mining and quarrying, capable of drilling holes with diameters ranging from 110 to 178 mm. It features a robust design ...

D60 drill rig

The Atlas Copco Flexiroc D60 Vertical Drills you need-closer than ever. 10 Atlas Copco Flexiroc D60 Vertical Drills available for sale on Machinery Trader. Prices range from ...
