

## Dando cable percussion drilling rig

Cable Percussion Drilling Rig Dimensions The Cable Percussion Rig dimensions are based on a Dando 2000. Dimensions of other drilling rigs which we may ...

UK drilling rig manufacturer Dando Drilling supplies hydraulic rotary and cable percussion rigs for the water well, mineral and geotechnical sectors.

Complete mobile drilling rig for operating percussion drilling tools and casing, sampling and testing equipment. Suitable for towing behind Landrover or light truck. The Dando 4000 is ...

Rig capabilities & specifications Our rigs are owned, operated and maintained in-house from our facilities in Gloucester. Each of the rigs has its own ...

Technical Data - Cable Percussive Drilling Rig Dando 2000, 2500 and 3000 cable percussive drilling rigs are frequently used to construct boreholes for both geotechnical and environmental ...

Dando offer a range of compact, versatile geotechnical rigs capable of performing percussive and rotary drilling in areas of difficult access. They can be used for ...

Dando Duke Cable Percussion Drilling Rig Available in both trailer and track mounted versions, the new cutting edge Dando Duke cable percussion rig ...

The cutting edge Dando Duke cable percussion drilling rig boasts a range of innovative features for increased efficiency, safety and productivity. Available in both trailer and track mounted ...

BH Drilling Services Ltd provides manned percussion drilling rigs with fully trained and experienced operatives. We are proud corporate members of the British ...

Cable Percussion Drilling Rig Dimensions The Cable Percussion Rig dimensions are based on a Dando 2000. Dimensions of other drilling rigs which we may use vary and therefore if drilling is ...

Dando 2000, 2500 and 3000 cable percussive drilling rigs are frequently used to construct boreholes for both geotechnical and environmental investigation. The system of drilling can ...

Cable Percussion Tooling Dando supply all types and sizes of tooling for use with its cable percussion drilling rigs, including sinker bars, shells, clay cutters and SPT & U4/U100 equipment.

Rig capabilities & specifications Our rigs are owned, operated and maintained in-house from our facilities in

## Dando cable percussion drilling rig

Gloucester. Each of the rigs has its own specification, and in some cases, we have ...

UK drilling rig manufacturer Dando Drilling offers a wide range of machines and equipment for the water well, mineral and geotechnical sectors.

Dando supply all types and sizes of tooling for use with its cable percussion drilling rigs, including sinker bars, shells, clay cutters and SPT & U4/U100 ...

The Dando 2000 cable percussive drilling rig capable of completing a wide range of ground investigations. Capabilities include; Installing casing up to 300mm in diameter Piston sampling ...

Standard Equipment and Materials Standard Height Cable Percussive Drilling Rig (Dando / Pilcon) A variety of steel drill tools, rods, hammers and casing. A variety of hand tools

The Cable Percussive drilling rig is one of the fundamental tools in Ground Investigation. Our fleet are fitted with fully compliant guarding on rotating parts, flail arrestors on the masts, and ...

Cable Percussion Drilling Useful for almost all site investigation projects, Cable Percussion Boreholes are a pivotal method of Site Investigation in order to gather information on ...

The Dando 2000 MK2 belongs to the range of cable percussion drilling rigs designed to drill in soft to medium conditions and conduct U4 sampling and SPT. This unique machine uses an ...

The Dando Duke cable percussion rig is available mounted on heavy duty tracks fitted with 2 speed tracking motors. It can be used for many applications inclu...

DANDO 2500 CABLE PERCUSSIVE RIG DATA SHEET The Dando 2500 cable percussive drilling rig capable of completing a wide range of ground investigations.

Dando Drilling International is pleased to announce that with the new emissions standards which are due to come into effect in 2019, Dando will be bringing to market a new ...

The Dando 4000 cable percussion (shell and auger) rig uses a straight-forward technique to drill in soft to medium conditions. A manual clutch-operated free fall winch is used to drill, run ...

The new Dando 3000 cable percussion rig has been part of the fleet since September 2014. This a one of the new generation of this traditional style of drilling rig, designed with new safety ...

Water well drilling rig manufacturer Dando Drilling supplies a range of hydraulic rotary and cable percussion rigs for shallow to deep borehole drilling.
