

Desco drill rigs

SP4500S (Desco's smallest model) As one of the most compact drills upto NQ-500M depth for exploration diamond drilling, SP4500S surface coring drill is an advanced addition to the SP-S ...

STANDARD / OPTIONAL STANDARD OPTIONAL OPTIONAL REQUEST Drill head ... Notice As your optional list, engine, hyd. system, cralwer and so on can be changed and design of drill ...

"At Desco, we are dedicated to providing top-quality drill rigs and exceptional service to our clients. Our team of experienced professionals is committed to meeting your drilling needs, ...

The powerful exploration drill rig up to HQ-1300M depth for exploration diamond drilling. SP7000SA surface coring drill rig is an advanced edition to the SP-SA series featuring a ...

Desco is the leader in developing new technology for water well drill rigs Desco has one of best model in developing new technology for surface diamond core in the world Reverse Circulation ...

DESCO manufactures a complete line of premium drill rigs that offer superior performance in some of the world's most difficult drilling environments. We understand your drilling problems ...

The GT series drill rigs are proven for their high productivity in Geothermal and Water Well drilling in both domestic and commercial use. From our flagship Double-Head rig, featuring a ...

The 2010 Desco 4500SD is a track-based drill rig capable of Direct Push Probe (DPP) wireline coring, rotary mud flush, and auger drilling techniques. ...

From our flagship Double-Head rig, featuring a Cummins X12 engine, to our smallest compact rig with Doosan power. All models are versatile machines, with full capability for Mud, Air or DTH ...

The success of our rigs within our family's geothermal drilling business, combined with the unprecedented global demand for geothermal drilling rigs, served as the catalyst for us to ...

The horizontal directional drill rig DS6500HDD is a simple and technically developed device. The hydraulic power rotary head are smoothly driven by hyd. cylinder feed-system The pull back ...

GTD desco is the only global specialist manufacturer entirely dedicated to Geothermal Drilling Equipment & Supplies. Our equipment is renowned for record-breaking productivity, safety, ...

DRILLNG DESCO owns and operates land rigs capable of work over and drilling of oil, gas and geothermal

Desco drill rigs

well up to depths of 2,500 meters using 5" drill pipe. DESCO has a pool of ...

Advanced air flow system & piston feature make faster penetration and provide longer service life More cutting power and faster rates with heat treatment and tightly controlled machining ...

We take a short walk around a brand new rig at our factory, highlighting some of the recent updates, innovations, and continuous improvements to the GTD desco GT35 drill rig.

Products SP7500 Deep-hole drilling drill rig up to 700M depth for water well & geothermal. SP7500 delivers gigantic power to enable deep-hole drilling job applications. SP7500 features ...

The best performing compact size exploration drill rig up to NQ-500M depth exploration diamond drilling. SP4500SA surface coring drill rig is an advanced edition to the SP-SA series featuring ...

Products SP9500 The flagship drilling drill rig up to 1000M ~ 2500M depth for water well & geothermal. SP9500 ensures unsurpassed and proven capability for deep & large-hole drilling ...

The powerful multi-purpose drill rig up to RC 4" - 500M or HQ-1300M depth for exploration drilling (RC & Diamond). SP7000SA-RC surface RC & coring drill rig is an advanced edition to the SP ...

Welcome to the official website of Desco, a leading manufacturer of high-quality drill rigs for various industries around the world. With years of experience in designing and producing ...
