

Desco drilling rig

Lean Startup Life discusses maximizing productivity in geothermal drilling with GTD Desco's GT series rigs when you want to drill faster and smarter.

With quality, affordability and knowledgeable customer service, Hanjin Drilling Co., Ltd. continues to offer new rig variations and new rig models to satisfy customer and developing market ...

DESCO INC. was established to design and build full-hydraulic, long-stroke, top-head drive drill rigs in 1988. We manufacture a complete line of water well drill rigs, exploration drill rigs, multi ...

The GT series drill rigs are proven for their high productivity in Geothermal and Water Well drilling in both domestic and commercial use. From our flagship Double-Head rig, featuring a ...

Desco R30 Inventory Final - Free download as PDF File (.pdf), Text File (.txt) or read online for free. This document provides an inventory of equipment for the ...

SP4500S (Desco's smallest model) As one of the most compact drills upto NQ-500M depth for exploration diamond drilling, SP4500S surface coring drill is an advanced addition to the SP-S ...

GTD desco is the only global specialist manufacturer entirely dedicated to Geothermal Drilling Equipment & Supplies. Our equipment is renowned for record-breaking productivity, safety, ...

The best entry-level premium exploration drill rig up to NQ-300M depth for exploration diamond drilling. SP3500SA surface coring drill rig is an advanced edition to the SP-SA series featuring ...

Advanced air flow system & piston feature make faster penetration and provide longer service life More cutting power and faster rates with heat treatment and tightly controlled machining ...

The success of our rigs within our family's geothermal drilling business, combined with the unprecedented global demand for geothermal drilling rigs, served as the catalyst for us to ...

radio remote safely positions the driller away from the rig during traveling SP4500 for waterwell & geothermal drilling Design for drilling up to 300M with dia. 4" and up to dia. 8" Percussion ...

Desco R30 Inventory Final - Free download as PDF File (.pdf), Text File (.txt) or read online for free. This document provides an inventory of equipment for the DESCO RIG 30. Some key ...

We take a short walk around a brand new rig at our factory, highlighting some of the recent updates,

Desco drilling rig

innovations, and continuous improvements to the GTD ...

The document provides information about Desco Inc, a manufacturer of deep hole drilling rigs. It details the specifications of their SP7500 drilling rig, including its powerful drilling capacity up ...

Welcome to the official website of Desco, a leading manufacturer of high-quality drill rigs for various industries around the world. With years of experience in designing and producing ...

The powerful exploration drill rig up to HQ-1300M depth for exploration diamond drilling. SP7000SA surface coring drill rig is an advanced edition to the SP-SA series featuring a ...

We take a short walk around a brand new rig at our factory, highlighting some of the recent updates, innovations, and continuous improvements to the GTD desco GT35 drill rig.

As one of the most standard drills upto RC 4" -350M, HQ-700M depth for exploration drilling (RC & Diamond), SP6500SA-RC surface coring drill is an advanced addition to the SP-SA-RC ...

The 2010 Desco 4500SD is a track-based drill rig capable of Direct Push Probe (DPP) wireline coring, rotary mud flush, and auger drilling techniques. ...

The best performing compact size multi-purpose drill rig up to RC 4" - 200M or NQ-500M depth for exploration drilling (RC & Diamond). SP4500SA-RC surface RC & coring drill rig is an ...

The powerful multi-purpose drill rig up to RC 4" - 500M or HQ-1300M depth for exploration drilling (RC & Diamond). SP7000SA-RC surface RC & coring drill rig is an advanced edition to the SP ...

The best performing mid-range drill rig up to 300M depth for water well & geothermal. Strong enough with compact size enables performance in most drilling job sites SP5500 features a ...
