

Detailed introduction of Kaishan 590 down-the-hole drill rig

The KG590/KG590H open-pit DTH drilling rig is an eco-upgraded model compliant with national environmental standards. Powered by a Yuchai 4-cylinder National III engine, it meets ...

The KG590/KG590H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder engine ...

Kaishan Separated DTH Surface Drill Rig is used for open pit, mine, quarry, construction etc. And this mine drilling rig is with good integrity, environmental protection and energy saving, high ...

KG610 Down The Hole Drill Rig KG610 folding frame track and four wheel drive are adopted; Add track leveling cylinders and the plunger piston tramming motor improves the working pressure ...

Down The Hole Drill Rigs Kaishan Group Co., Ltd. is a well-equipped company with strong technical force, specialized in Water Well Drilling Rig, Screw air compressor, Surface Drill ...

Kaishan is also a professional manufacturer of rock drills, DTH drilling rig, water well drilling rig. We also provide mucking loader, haggloader, air picks, auxiliary products for the drilling rig, ...

The KG590/KG590H DTH drill rig for open use is an improved device in compliance with national regulations on environmental protection. Equipped with the Yuchai engine (China III), the drill ...

KG590 surface Blasting Hole Depth Quarry Mine Separated Mining Drilling Rig for sale KG590/KG590H open-pit DTH drilling rig is a new equipment upgraded according to the ...

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework ...

The KG590/KG590H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions.

Detailed description The Kaishan KT5C Integrated Down The Hole Drill Rig is engineered for outstanding performance in open-use applications, boasting a remarkable maximum drilling ...

Discover the KG590/KG590H DTH Drilling Rig, featuring upgraded emission-compliant engines, enhanced mobility, and improved dust control. Designed for reliability and efficiency, this rig ...

Detailed introduction of Kaishan 590 down-the-hole drill rig

DTH drilling, also known as Down-the-Hole drilling, is a method used to drill boreholes into the earth's surface. This technique involves a hammer that is ...

Kaishan dth drilling rigs is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

The KG590/KG590H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder ...

crawler portable tractor blast hole drill rig, diesel engine and motor power mine drill machine, dth drill rig for quarry plant to drill hard rock and for construction works, energy and mining

Yiwu Kaishan Machinery Co., Ltd., incorporated with the authorization of Zhejiang Kaishan Compressor Co., Ltd., is mainly engaged in mining machinery and equipment such as Kaishan ...

The KG590 /KG590H down the hole drill rig for open use is an improved device in compliance with national regulations on environmental protection. Equipped with Yuchai four-cylinder ...

Kaishan Kg590 Kg590h Blast Hole Drill Rig And Borehole Drilling Rig For Mining, Find Complete Details about Kaishan Kg590 Kg590h Blast Hole Drill Rig And Borehole Drilling Rig For ...

KAISHAN High performance KT12 Kaishan DTH Diesel Crawler Down the Hole Blasting Mining Drill Rig for mine blasting hole KT12 integrated DTH drilling rig ...

Kaishan KG430 25m blasting ground hole Quarry Rock DTH Mining Borehole Drill Rig With Dust Collection KG430/KG430H open-pit down-the-hole drilling rig ...

Kaishan is a professional manufacturer of rock drills and DTH drilling rig in China, we have multiple series of DTH drilling rigs to meet your different requirements, including: DTH drilling ...

The KG590H down-hole drill rig for open use is equipped with a dust collector, thus making operation more environment-friendly and reliable. Recommended supporting air compressor ...

Kg590h Bore Pile Borehole Drilling Machine Rig Kaishan Drill Separated Dth Surface Drilling Rig, Find Complete Details about Kg590h Bore Pile Borehole Drilling Machine Rig Kaishan Drill ...

The KG590 down the hole drill rig for open use is an improved device in compliance with national regulations on environmental protection. Equipped with Yuchai four-cylinder engine (China III), ...

KT25 open-pit down-the-hole drilling rig is a new type of drilling equipment carefully designed for the needs

Detailed introduction of Kaishan 590 down-the-hole drill rig

of large open-pit mines on the basis of years of development and production of ...

The KT11 integrated down the hole drill rig is driven by a high power Cummins China stage III diesel engine with a two-terminal output that can drive the ...

Our KT5C Integrated down the hole drill rig for open use is an advanced drilling device with an integrated screw air compressor system. The equipment is compact in structure and mobile ...

KAISHAN KT5J integrated dth drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor syst...

KG420S Down The Hole Drill Rig KG420S folding frame track and four wheel drive are adopted; Add track leveling cylinders and the plunger piston tramming motor improves the working ...

Product Features The Kaishan KT15 high pressure integrated drilling rig is specially designed as a high efficiency mining machine for large scale open-pit ...

By far, Kaishan group is the largest rock drill manufacturer in the world, and the largest air compressor manufacturer in China. Exports are shipped to over 20 different nations and ...
