Where can I rent a drill rig?

Currently, our available stock of drill rig rental equipment includes: Mobile Drill Intl, GTechDrill, VersaDrill Canada, Diedrich Drill, and more as well as various support equipment. Rig Source is experienced with shipping rental drill rig and rental crawler carrier units throughout the US and Canada, and has competitive weekly or monthly rates.

Why should you rent a drilling rig?

In the dynamic drilling industry, there is nothing more important than high-quality equipment rentals. Drill rig rentals not only provide flexibility but also ensure that drilling contractors are getting the latest and best equipment without the complexities of owning a rig.

Why do you need a rock drilling equipment supplier?

Rock drilling is a specialized field that requires the right equipment and the knowledge to back it up. You need a rock drilling equipment supplier like the Gill Rock Drill company that keeps up on today's advanced technology. Our equipment will make your work site safer and more efficient than ever before.

Why should you choose Gill Rock Drill Company?

Our commitment to excellent customer service and support matches well with the leading edge drill technology Sandvik has available. Whether it be contract drilling, rentals, service, or support, you can always rely on Gill Rock Drill Company to provide training and technical expertise.

How do you use a rock drill?

Drill through granite or hard-faced rock, or complete quarry drilling or secondary holes for blasting with our pneumatic rock drills. Rock drills are tough, versatile and dependable. They are lightweight tools for drilling holes for anchor bolts and small dowel hole drilling.

Which coring rigs are available for rent?

At Rig Source, we have a variety of coring rigs for rent from top-of-the-line brands including Geoprobe, Versatran, and GTech. These rigs are primarily used for mineral extraction, and our exploration drilling rigs help discover valuable resources below the Earth's surface.

We supply drilling equipment and rock drill supplies for mining and construction projects in the USA and Canada. Get a free quote on drilling tools.
