Where can I find used drilling rigs?

You've reached the new home of DM series rigs engineered specifically for water well and geothermal contractors. Welcome to the "Used Drill Rigs" section of the Geoprobe website. This is a free service we offer for listing used drilling rigs for sale and other drilling equipment.

How much does it cost to sell a used drilling rig?

No fees. No listing charges. By posting a used drilling rigs for sale summary and photos online, more Geoprobe customers can access the information quickly. We can also provide suggested trade-in values for your drill rigs to help in the process. Listings will remain active for 180 days.

What materials are used to drill oil rigs?

Hardened steel or stainless steel construction: The equipment for drilling on oil rigs is made out of hardened steel or stainless steel. Hardened steel drill machine parts offer resistance to extreme temperature and pressures.

Why have I posted a used drilling rig for sale?

Most used drilling rigs for sale that have been posted are the result of a customer interaction where the customer indicated an interest in trading or outright selling a machine. How long are machines listed? Machines are listed for 180 days. If you sell your machine, please contact us at 352-854-1566 to have your listing removed.

How do I purchase a classified ad in the drill rig?

Choose from a Featured, Image or Text Classified which allows you to take advantage of our direct audience and searches on the web. For more information on purchasing a classified ad in The Driller, please contact Mike O'Connor @oconnorm@bnpmedia.com or by phone at 610-354-9552. Find new and used drill rigs for sale in the The Driller classifieds.

What is oil and gas drilling equipment?

Pump shafts: These pieces of equipment for drilling attach to the oil or gas rig, allowing the material to move through the pipes and be pumped at the desired level of suction and the correct level of speed. What are some features of oil and gas drilling equipment? Threaded: The bits for the gas and oil rig drilling equipment are already threaded.
