

Drilling rig mats for sale

Who makes the best rig mats & drilling rig matting?

Quality Mat Company offers the best rig mats and drilling rig matting to safely and sensitively work on any location. With 51 years of experience, Quality Mat Company provides a solid base for all your drilling and construction needs.

Why should you choose a quality rig mat company?

For drilling rig mats, drilling rig matting, and ground protection, choose the trusted Quality Mat Company. Our rig mats are favored for drilling rigs and large construction applications, and are used in the most environmentally sensitive areas all over the world.

Who makes rig mats?

At Viking Mat, we have been an industry leader in providing rig mats, including for oilfield and drilling use, for more than a century. Our experts supply the rig mats you need to help keep your job site's rigs safe and secure, as we provide durable, high-quality mats that can withstand harsh weather conditions.

What is a rig mat?

Let us know and we'll get back to you as quickly as possible. Rig Mats for sale are designed for heavy-duty industrial use, providing durable, stable surfaces in rugged environments. These Rig mats are essential for oilfields, construction sites, and other high-demand areas where ground protection and load distribution are critical.

How long do drilling rig mats last?

The average life of our drilling rig mats is approximately 10 years, though some have remained active for 15 - 20 years. For drilling rig mats, drilling rig matting, and ground protection, choose the trusted Quality Mat Company.

Should you rent rig mats?

For short-term projects, consider rig mat rentals to save costs and lessen environmental footprints. The distinct characteristics of drilling rig mats from Blizzard Mats significantly contribute to the success of projects and environmental protection. Our mats are crafted with high-quality wood, ensuring durability and reliability.
