

Drilling rig reel factory

How are offshore hose loading reels controlled?

Our offshore hose loading reels are controlled using a portable control lever or the fixed control lever located on the power pack. No manual handling of the hoses is necessary apart from connecting and disconnecting the crane hook. All hydraulics are replaced by electronics.

What is a drill line storage reel?

Drill Line Storage Reel The Cameron drill line storage reel (DLSR) is a simple but essential tool used to organize and streamline hoisting and rotating systems. The DLSR 7500 gives you greater control and enhances the safety of both personnel and equipment when cutting and slipping the drill line.

Why should you choose Reel Power International?

Reduce Delays And Downtime. Reel Power International is a family of brands that offers solutions to help control and improve drilling, reeling and winding operations. Our innovative products keep operations running smoothly and on schedule. We help to improve efficiency, profitability and safety, while decreasing delays and downtime.

What is a Reel Power OG raw water system?

Apart from replacing old Raw Water Towers on Jack-ups, Reel Power OG Raw water and Pre Loading Reel systems provide a safe and effective solution for raw water supply on offshore structures. The reel accommodates an OSD (oil suction & discharge) hose. At the end of the hose, a suitable submersible deep well pump is attached.

What is a Reel Power OG system?

Reel Power OG systems are capable of pulling up the pump in the shortest possible time, ensuring the least rig downtime and decreasing overall operating cost. The pumps can be quickly retrieved for inspection and maintenance at any time.

Can a Reel Power OG system be retrofitted?

The systems can be retrofitted to an existing vessel or supplied for new construction. Apart from replacing old Raw Water Towers on Jack-ups, Reel Power OG Raw water and Pre Loading Reel systems provide a safe and effective solution for raw water supply on offshore structures.

Machine Part Supplier, Fishing Reel Parts, Drilling Rig Parts Manufacturers/ Suppliers - Ningbo Beilun Boxiang Industry Company

Powered drill line spoolers and powered wire spoolers speed up and rig down time. Reelpower ME has worked closely with drilling contractors and rig ...

Drilling rig reel factory

This includes various drilling equipment such as pneumatic, hydraulic, borehole, and exploration equipment. The products exhibit excellent performance and reliability, making them suitable ...

Rig is Set up to Run 3.5" X 20" Drill Rod with 2-3/8" IF Rod. No Rod Spinner or Floating Sub. Includes 400' of Drill Rod & Rod Handling Tools. Mud Pit Available. Est Total Hours are 12K ...

Henan Rancheng Machinery Co.,Ltd: We are professional manufacturer of water well drilling machine, core drilling machine, DTH drilling rig, rotary drilling rig, ...

Reel Power ME manufactures high-quality subsea and offshore drilling equipment for the oil and gas industry including reels, accumulators, winches, and more

Reelwell AS is dedicated to the development of pioneering technology, challenging traditional industry methods, including the Reelwell Drilling ...

Zhejiang Miningwell Supply Chain Management Co.,Ltd: With more than 20 years of experience in mining equipment production, D Miningwell has own ...

JCDRILL Company located in Beijing of China, specialized in research, development, production of rock blasting drilling rig, water well drilling rig, ...

DD311 DEVELOPMENT DRILL TECHNICAL SPECIFICATION The Sandvik DD311 is a single-boom electro-hydraulic jumbo, designed for fast and accurate drilling within drifting and ...

The 20W was a three-line rig with a bull reel, sand reel and casing reel. I understand that, when these rigs were first produced in 1949, the casing ...

It has more than 20 species such as water well drilling rig, core drilling rig, engineering drilling rig, DTH drilling rig, horizontal directional drilling rig, etc.

Titan HD - Track Mounted Diamond Core Drill MPP's track-mounted heavy-duty, deep hole core drill. The Titan HD features Cat 312L steel tracks, telescoping hydraulic stabilizers and a ...

:-*We are a factory that produces drilling rigs and pile drivers. Our products are sold to more than 130 countries and regions around the world. If you...

When you need high quality, heavy-duty reels for demanding applications, count on Hannay Reels. Use our land and offshore drilling reels for refueling and lubrication, washdown, hydro ...

Customized JSL drilling rig completed.??? Multiple models of drilling rigs, factory direct sales, support customization. Contact us for more...

Drilling rig reel factory

SANDVIK DD210L UNDERGROUND DRILL RIG TECHNICAL SPECIFICATION Sandvik DD210L is a low profile single boom electro hydraulic drilling machine designed to work in excavations ...

We can offer NON-OEM or OEM replacement spare parts for oilfield drilling rig equipment used on Oil & Gas or Geothermal Energy drilling rigs. This service ...

Reel Power International is a family of brands that offers solutions to help control and improve drilling, reeling and winding operations. Our innovative products keep operations running ...

Reel Power USA, specializes in reeling and coiling machinery Solutions, with a client list that includes the world's top Oil & Gas companies and Drilling Contractors.

Coiled Tubing #coiledtubing #coil #coiled #tubing #coiledtubingunit #CTU #CT #drilling #rig #drillingrig #oilfield #oilwell #equipment #vendor #supplier #oilrig #hopps #China #factory ...

The reel stores and spools drilling line and is hydraulically powered to ease slip-and-cut operations. When the drill line drum is empty, you can quickly and ...

Except for the lines a rig-up crew uses to raise a rig's mast, drilling line is the largest-in-diameter line on the rig. It is large because it must be strong enough to do the main lifting work.

Our factory produces DTH drill bits, impactors, three-cone drill bits, coring drill bits, drill rods, drilling rigs, air compressors, top hammer drill bits, PDC drill bits. If you need them, please...

We are professional Chinese drilling rigs factory. We are here to revolutionize your drilling rigs experience. Contact Us today to explore more ideas WhatsApp Us : ...
