

Drilling rod accessories and prices for down-the-hole drills

Why do you need a drill rod?

Engineered for demanding drilling conditions, our drill rods ensure exceptional performance in geotechnical drilling, mineral exploration, and construction applications. Each drill rod undergoes 100% thread inspection during manufacturing to guarantee precision and compatibility.

What kind of drill rods do I Need?

Whether you need standard-depth drill rods, deep-hole drill rods, HD threads for wide diameters, or WJ threads for conventional drilling, we have the durable, precision-engineered drill rods to meet your project requirements.

Why should you choose N&N drill rods?

With superior strength and reliability, our drill rods ensure efficient performance in geotechnical drilling, mineral exploration, and construction. N&N Drilling Supply manufactures premium drill rods from cold-drawn, high-carbon steel tubing, meeting or exceeding DCDMA standards for tensile strength and durability.

What products does hole products offer?

Explore the subcategories below, view our online Drill Rods & Subs catalog, or contact your Hole Products representative to learn more about our complete product offering. Hole Products offers a wide range of wireline drill rods, api drill rods, sonic drill rods, W and WJ rods, rc rods, and custom adapter subs for any drilling application.

What DTH drilling tools do you offer?

We offer a complete range of DTH drilling tools including hammers, bits, pipes, adapters, breakout benches and grinding machines with consumables. The history of the down-the-hole hammer manufacturing goes back more than four decades. For the past 40 years and still today, our goal is to produce the best products for our customers.

What tools does drill King manufacture?

Drill King manufactures the widest range of high quality Down the hole (DTH) tooling. From hammers, bits, shock absorbers, hole openers to casing systems and (WAI) water hammers and hole openers. Comprehensive range of DTH rock drilling tools for any tough environment.

Rockmore International manufactures the finest and most efficient Down-the-Hole (DTH) hammers and bits for the mining, construction & water well industries.

Drilling Tools International offers a full line of surface and downhole accessories related to downhole drilling

Drilling rod accessories and prices for down-the-hole drills

tools and Bottom Hole Assembly (BHA) components.

CENTER ROCK products boast a formidable range of down-the-hole (DTH) hammers, presenting a suite of drills and downhole bits spanning 3.5"- 48" ...

We are a US Manufacturer specializing in top quality DTH drilling equipment and accessories serving the construction foundation, mining and quarrying, oil and gas, geothermal, ...

Warrior Drilling Equipment is Dedicated to Drilling and Client Services at all times. Our main focus is DTH "Down The Hole" Mining and Water Well Borehole Drilling. We supply all types of ...

Leading Manufacturer of Down-the-Hole (DTH) Drilling Equipment for Mining, Construction & Water Wells. Premium products at fair prices. Get a Quote Today!

DrillMore manufactures a complete range of drill rods/drill tubes/drill pipes for DTH drilling, with several different thickness designs for each diameter, made ...

Summary The principal drilling methods used in mines today are mechanical ones in which a drill drives cutting tools into rock by means of static or dynamic force. Percussion rock drills are the ...

Mining, Quarrying & Construction The REL C650 D Down-the-Hole Blast Hole drill comes from the family of the C650 D Series. Designed to drill clean holes of 6-1/2 inch (165mm) to 8 inch ...

Exploration Drilling Products Boart Longyear is globally recognized as the leader in exploration drilling technology. From the rig to the drill string to the record-breaking Stage3 diamond ...

The DTH drilling rig (down-the-hole drilling machine) is a kind of drilling machine, which is mainly used for drilling in rock formations. The down-the-hole drilling ...

CENTER ROCK products boast a formidable range of down-the-hole (DTH) hammers, presenting a suite of drills and downhole bits spanning 3.5"- 48" (89 -1219mm). Our DTH hammer drilling ...

JK Drilling, a professional drilling equipment manufacturer, provides a wide range of DTH drilling rigs that feature high efficiency, high quality and high cost-performance.

Guizhou Gold Drills Equipment Co., Ltd.: Find professional top hammer drilling tools, down the hole drill, button bits, drill rods, coupling sleeves ...

The heat-treated rods features an innovative advanced "low stress" thread design, virtually eliminating beelling, bulging and thread jumping, as well as reducing rod wear, failures, spinouts ...

Drilling rod accessories and prices for down-the-hole drills

Discover the power of down the hole drilling technology featuring superior performance in hard rock, enhanced accuracy, and advanced automation capabilities for efficient and precise ...

North Star manufactures a complete range of drill rod and drill pipes for DTH and Rotary drilling. Our DTH drill pipes are used worldwide with Sandvik, Atlas Copco, XCMG and many other ...

Welcome to a legacy of reliability and performance. We are the leading suppliers of rock drills, rock drill accessories, machine spares and consumables used in ...

The KT12 integrated down the hole drill rig is driven by a Cummins China stage III diesel engine and the two-terminal output can drive the screw compression ...

From drill rods to in-hole core retrieval tools, diamond core drill bits and reaming shells, adapter subs and locking couplings, drill rod grease, drilling fluids, and ...

We offer a complete range of down-the-hole products including hammers, bits, pipes, adapters and breakout benches. Read more and contact us here!

P.G Drilling Equipment and Accessories, have continued to manufacture and strive to better our already impressive range of Down the hole hammers, back ...

Down The Hole (DTH) Drill Rods available in various threads, lengths, and diameters. Speak to our drilling experts for the perfect DTH rods for your rig.

The history of the down-the-hole hammer manufacturing goes back more than four decades. For the past 40 years and still today, our goal is to produce the best products for our customers.

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH ...

Down-the-hole drilling tools are essential for various industries such as mining, construction, and oil and gas exploration. These tools are versatile and can be ...

When it comes to specialized drilling, Down the Hole (DTH) drills are at the forefront of efficiency and power. Manufactured by the best DTH manufacturer ...
