

Features of the yt24 air-leg rock drill

YT24 air leg rock drills are particularly designed for hole blasting in small or medium-sized mines and wet drilling horizontally or at a tilting angle. Mainly used in construction sites, various types ...

YT24 Air-leg Rock Drill, an important tool for rock drilling operations in mines, railway, communication and water conservancy projects, etc., is most suitable ...

We manufacture and supply YT24 Pneumatic rock drill at a factory competitive price with features: 1. high quality materials, 2. scientific forging, 3. heat ...

The YT24 air leg rock drill is an efficient tool that I often use for smaller projects. This drill provides excellent performance in confined spaces, making it a practical choice for urban construction ...

Buy YT24 hand hold air leg rock drill YT24, air leg rock drill, We can supply many kinds of rock drill in high quality, such as YT24, YT27 and so on at lower price.

Grouped control mechanism, quick of start up, with "air-on, water-on, air-off, water-off" mechanism, easy operation and maintenance. Low noise, small ...

YT24 Air Leg Rock Drill Maxdrill's YT24 air leg rock drills are particularly designed for hole blasting in small or medium-sized mines and wet drilling horizontally or at a tilting angle. The ...

It's one of the major quarry rock drills. YT23, YT24, YT27, YT28, YT29 Air Leg Hand-Held Pneumatic Rock Drill Machine for Quarry and Mining YT24, YT28 ...

Pneumatic rock drilling machine Y6, Y19A, Y20, Y24, TY24C, Y26 (Hand Operated); YT24, YT27, YT28, YT29A (Air leg). Our air-leg rock drills have ...

It is an efficient, energy saving rock drill. The BD-YT24 Air Leg rock drill has lower noise, higher durability, faster speeds and a lower failure rate than other comparable drills.

YT24 Air-leg Rock Drill can be used in mine, water conservancy, quarrying, highway traffic and nation defence engineering services. It is used for blast hole drilling in the middle and hard ...

YT24 Hand Held Rock Drill The YT24 leg-type rock drill is a highly efficient pneumatic rock drilling equipment widely used in mining, railway, transportation, and water conservancy construction ...

YT24 is a kind of heavy and powerful rock drilling machinery with low air consumption. Mainly used in

Features of the yt24 air-leg rock drill

construction sites, various types of mines, ...

Specifications and Product Details: Rock drill YT24, YT27, YT28, YL19, Y26, Y24, Y20, Y18, Pneumatic breaker, Hydraulic rock drill, Hammers, Drill bits, rods Our mining equipment and ...

2.YT24type hand-hold rock drill can be used to digging dry or wet by horizontal holes,vertical holes or angling holes on medium-hard rock or hard rock. Specification: Weight 24kg Length ...

The rock drill is a kind of high efficiency air leg rock drill machine is widely used for blasting holes and other drilling projects in a quarries, railway construction, water conservancy ...

The YT27 air-legged rock drill is a highly efficient lightweight rock drill suitable for downward or inclined drilling in medium-hard or hard ($f=8 - 18$) rock with a diameter of 34 - 45 mm and an ...

This rock drill has a wide application range and is mostly applicable to drilling horizontal or inclined blast holes on medium-hard or hard ($f=8-18$) rocks, with the drilling depth of 5m. This ...

Features high working efficiency It adopts air-water linkage, air-leg rapid advance and retreat, air-pressure adjustment and other mechanisms, and its control ...

The YT24 air-leg rock drill is widely used in mine tunnel excavation and various engineering projects including metallurgy, coal mining, railway construction, transportation, water ...

Buy YT24 hand hold air leg rock drill tool yt24, air leg rock drill, We can supply many kinds of rock drill in high quality, such as YT24, YT27 and so on at lower price.

k Drill Application: YT24 Air-leg Rock drills is an ideal tools for drilling blast-holes operations small and medium-s. zed quarries, mines. Combined with B22 drill rod and drill bit, select drill bits ...

YT24 air leg rock drill is a high efficiency rock drilling machine. It widely used in rock drilling blasting holes, it's very important to coal mine, railway traffic, ...

Established in 1992, KINGKONG. is a manufacturer specialized in the research, development and production of DTH drilling rig, Water well drilling rig, DTH hammer, DTH bits, Drilling Pipe, ...

Features of the yt24 air-leg rock drill
