

Foundation drilling rigs for sale

Are there any foundation drilling rigs available for sale worldwide?

Piling Equipment Ltd offer a wide range of foundation drilling rigs for sale worldwide. Piling Equipment Ltd (Fixed)

What is a foundation drill rig?

Foundation drill rigs are specialized equipment used in the construction industry for drilling cylindrical holes in the earth. Up until now, there has been no independent mechanism for operators to demonstrate their knowledge, skills, and abilities required for operating this equipment.

Where can I buy a used drill rig?

o Piling Driving Accessories. Sun Machinery is the place for contractors to buy and sell rigs and vessels and related equipment. Our database contains thousands of used equipment for sale, which are presented and continuously updated. Wanted!!! Your surplus drill rigs, related components, or vessels.

Which construction projects require foundation drilling?

Another excellent example of a construction project requiring foundation drilling is utility poles. These poles are crucial for ensuring the delivery of power to communities all across the country; they need to be able to withstand everything from the elements to shifting soil.

Do you need a foundation drilling rig inspection?

Inspections are more often successful when regular maintenance is done on your foundation drilling rig. The most important maintenance involves keeping the parts of the rig clean. Keep your inspection records up-to-date and ensure any needed repairs are completed before the rig is used on the job.

What is foundation drilling?

Foundation drilling is, in essence, using big machines to put big holes in the ground. Most residential homes have a reinforced, concrete slab foundation poured on top of the ground. Though some settling and shifting will occur, it is not enough to send the walls tumbling down.
