

Fushun screw air compressor store

What makes a Fusheng air compressor unique?

Every Fusheng air compressor incorporates high quality components in its design. From the smallest rotor to the largest air end, each part features our most advanced developments.

Where is Fusheng air compressor made?

Fusheng has its headquarters in Taiwan and has been in operation since 1953. The company is one of the largest producers of air compressors in China. Fusheng mainly specializes in the manufacture of oil-lubricated compressors, portable compressors, oil-free compressors, air treatment equipment, and power generation equipment. 9. Gardner Denver

What types of air compressors does Fusheng offer?

Backed by 65 years of experience in air compressor service, Fusheng has launched a wide range of air compressors, from reciprocating compressors, screw compressors to centrifugal compressors, etc. It is also divided into oil-injected and oil-free, and more different types, which can meet different application needs.

Why should you choose Fusheng air pressure products?

Replacement of old machines and replacement of old ones with new ones, Fusheng's upgrading program for air pressure products helps the industry's sustainable development. Fusheng's products are favored by customers at Qingdao Pharmaceutical Machinery Exhibition, and several MOUs were received during the exhibition.
