

German Engineering Drilling Rig Factory

Which company makes prime drilling rigs?

Prime Drilling GmbH is a specialized manufacturer of Horizontal Directional Drilling Rigs. Established in 1999 by Werner Wurm and Frank Auringer, the company is now known for its Compact-Rigs, which have a performance category of 600 kN pull force. Prime Drilling GmbH is based in Germany.

Which company makes geothermal drill rigs?

GEOTEC Bohrtechnik GmbH develops and produces high-level vertical drill rigs for 16 years. These drill rigs are mainly used for geothermal drillings close to the surface and for well sinking.

Can deep drilling rigs be used for geothermal energy?

Deep drilling rigs can be used for both oil and gas fields and geothermal energy sources. The operation of the rigs poses specific demands on the environment and the surroundings. GEOTEC Bohrtechnik GmbH has been developing and producing high-level vertical drill rigs for 16 years.

Who is Drilltec gut?

DrillTec GUT GmbH Großbohr- und Umwelttechnik is a globally operating drilling contractor for well-known companies in the oil, gas and geothermal industry. Our range of services includes deep drilling. We support you from the engineering until the execution of the drilling - worldwide and anytime.

Who is Streicher drilling rigs?

STREICHER specializes in drilling technology for the oil and energy sector, offering a wide range of vertical and horizontal drilling rigs, along with various drilling components and turnkey services. Their expertise includes planning, design, manufacturing, and servicing, making them a key player in the drilling industry.

Why should you choose a drilling rig repair company?

Their collective expertise in various geological conditions and operational parameters aims to enhance drilling efficiency and innovation in the sector. The company is a leading provider of components for the maintenance and repair of drilling rigs, specializing in oil, gas, and geothermal services.

The company is a leading provider of components for the maintenance and repair of drilling rigs, specializing in oil, gas, and geothermal services. They aim to deliver a comprehensive quote ...

The ABI Group consists of the brands ABI and DELMAG - the DELMAG Company, established in 1922, was acquired by ABI in 2000, and DELMAG Drilling Rigs are now being built in ABI's ...

Whether you are drilling piles, mixing or improving soil, our equipment is as flexible as your requirements. That's why we offer you two series of drilling rigs ...

German Engineering Drilling Rig Factory

Herrenknecht Vertical GmbH specializes in the engineering and manufacturing of automated deep drilling rigs. From our headquarters in Schwanau, southern Germany, we support our ...

Market leader in deep-hole drilling production technology. Producer of deep-hole drilling machines and deep-hole drilling tools. Direct deployment in contract manufacturing. TBT Tiefbohrtechnik ...

Herrenknecht Vertical GmbH specializes in the engineering and manufacturing of automated deep drilling rigs. From our headquarters in Schwanau, southern ...

Explore the top 27 drilling and boring machine companies shaping the industry. Companies like Herrenknecht cater to infrastructure projects whilst Robbins ...

Whether you're interested in a career in the industry or simply looking to invest in the future of Germany's energy sector, this list of oil and ...

STREICHER Drilling Technology GmbH manufactures mobile vertical drilling rigs with a hook load of up to 220 short tons as well as equipment and accessories ...

JCDRILL Company located in Beijing of China, specialized in research, development and produce kinds of rock blasting drilling Rig, water well drilling ...

Bentec is your trusted worldwide partner in made-to-measure systems for oil, gas and geothermal drilling and premium oilfield equipment. We are completely geared towards health, safety and ...

STREICHER Drilling Technology GmbH manufactures mobile vertical drilling rigs with a hook load of up to 220 short tons as well as equipment and accessories for the drilling industry.

Find the top drilling rig suppliers & manufacturers from a list including Lone Star Drills. a Little Beaver Company, Acker Drill Company Inc & AMS, Inc.

Hengwang's main products include four major categories and over 40 types, such as drilling rigs, pile drivers, construction machinery, and parts. ...

Hydraulic drilling rigs, drilling accessories, know-how and service for civil engineering and geothermal applications Hütte Bohrtechnik is a global leader ...

Drilling Rigs With Bauer drilling rigs, you can accomplish your specialist foundation engineering projects in an efficient, safe and sustainable manner. ...

As a leading rig equipment OEM and service partner, they offer comprehensive drilling rig solutions, aftermarket service support, and facilities engineering. ...

German Engineering Drilling Rig Factory

In case of offshore connections, outfalls or crossings the drilling teams refer to own drilling rigs with hook loads between 12 and 350 t. Mainly these rigs were ...

Drilling Rigs With Bauer drilling rigs, you can accomplish your specialist foundation engineering projects in an efficient, safe and sustainable manner. Efficient, because we also deliver ...

Mesda is a professional manufacturer and supplier of mobile crusher and screener with leading technology in Nanning, Guangxi, China. Offering a wide ...

China leading provider of Spindle Drilling Rig and Core Drilling Rig, HUNAN MEGA DRILLTECH CO., LTD. is Core Drilling Rig factory.

Esun Equipment Limited: Welcome to wholesale discount drilling rigs, drilling bits, excavator, lorry crane, mining excavator from professional manufacturers in ...

We manufacture deep-hole drilling machines and deep-hole drilling tools and carry out contract manufacturing. As the market leader in our industry, we are driven by one thing above all: To ...

MW300G reverse circulation water well drilling is a new type of multi-purpose, high-efficiency, environmentally friendly, multi-track type drilling rig, which ...

It has more than 20 species such as water well drilling rig, core drilling rig, engineering drilling rig, DTH drilling rig, horizontaldirectional drilling rig, etc.

The high-efficiency, durable and environmentally friendly drilling equipment from the drilling rig China manufacturer can be used in various fields to meet the ...
