

German engineering drilling rig manufacturer phone number

Which company makes prime drilling rigs?

Prime Drilling GmbH is a specialized manufacturer of Horizontal Directional Drilling Rigs. Established in 1999 by Werner Wurm and Frank Auringer, the company is now known for its Compact-Rigs, which have a performance category of 600 kN pull force. Prime Drilling GmbH is based in Germany.

Which company makes geothermal drill rigs?

GEOTEC Bohrtechnik GmbH develops and produces high-level vertical drill rigs for 16 years. These drill rigs are mainly used for geothermal drillings close to the surface and for well sinking.

Who makes Streicher drilling rigs?

STREICHER Drilling Technology GmbH manufactures mobile vertical drilling rigs with a hook load of up to 220 short tons as well as equipment and accessories for the drilling industry.

Why should you choose Bauer drilling rigs?

With Bauer drilling rigs, you can accomplish your specialist foundation engineering projects in an efficient, safe and sustainable manner. Efficient, because we also deliver matching accessories and all drilling tools from a single source along with the multi-function equipment.

Why should you choose a drilling rig repair company?

Their collective expertise in various geological conditions and operational parameters aims to enhance drilling efficiency and innovation in the sector. The company is a leading provider of components for the maintenance and repair of drilling rigs, specializing in oil, gas, and geothermal services.

What are the key considerations when exploring the drilling industry in Germany?

When exploring the drilling industry in Germany, several key considerations come into play. Regulatory compliance is paramount, as Germany has strict environmental laws governing drilling operations, including the Federal Mining Act and various local regulations.

Our drilling machines are used in GSHP systems, engineering geological investigation, water well construction, water conservation industries. We specialize in engineering top-of-the-line ...

Shiva Engineering Works Established in 2000, we, M/s Shiva Engineering Works one of the leading manufacturer, wholesaler, exporter, importer, retailer of Boring Machine, O.P. UNIT ...

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For example; oil and gas, construction ...

German engineering drilling rig manufacturer phone number

UK drilling rig manufacturer Dando Drilling offers a wide range of machines and equipment for the water well, mineral and geotechnical sectors.

Founded in 2005, we began as a specialized manufacturer of loaders and drilling rigs in Shandong, China's industrial heartland. Today, with 3 state-of-the-art factories spanning ...

STREICHER Drilling Technology GmbH manufactures mobile vertical drilling rigs with a hook load of up to 220 short tons as well as equipment and accessories ...

MW300G reverse circulation water well drilling is a new type of multi-purpose, high-efficiency, environmentally friendly, multi-track type drilling rig, which ...

With Bauer drilling rigs, you can accomplish your specialist foundation engineering projects in an efficient, safe and sustainable manner. Efficient, ...

Discover the top rotary drilling rig manufacturers globally. This blog post explores leading companies, their specializations, and innovations in the drilling industry. Learn about ...

Bentec, one of the world's leading manufacturers of drilling rigs and oilfield equipment, has successfully constructed and delivered to its client INK-Service the first of a seven drilling rig ...

Energy Dais presents the most comprehensive list of the top Drilling Rig manufacturers in India, Middle East, USA & Canada. Choose from a list of 50+ ...

Products Our company's main products include mini excavators, wheeled excavators, tracked excavators, loaders, rollers, hydraulic breakers, drilling rigs, and other engineering and ...

Hydraulic drilling rigs, drilling accessories, know-how and service for civil engineering and geothermal applications Hütte Bohrtechnik is a global leader ...

STREICHER Drilling Technology GmbH offers design, manufacturing and supply of drilling rigs. The scope of services also includes maintenance and repair ...

With almost 130 years of experience KCA Deutag is one of the world's leading drilling and engineering contractors working onshore and offshore with a focus on safety, quality and ...

Find your drilling rig easily amongst the 791 products from the leading brands (SANY, SOILMEC, Hengwang, ...) on DirectIndustry, the industry specialist for your professional purchases.

With unmatched technical and global experience, RigQuip offers rig packages, maintenance and drilling

German engineering drilling rig manufacturer phone number

equipment parts to customers worldwide.

Products Our company's main products include mini excavators, wheeled excavators, tracked excavators, loaders, rollers, hydraulic breakers, drilling ...

Drilling Rigs With Bauer drilling rigs, you can accomplish your specialist foundation engineering projects in an efficient, safe and sustainable manner. ...

RDS Engineering Drilling Rig Manufacturers has a multi purpose dth cum rotary drilling for the following application water well drilling, dth drilling, borewell, ...

The company is a leading provider of components for the maintenance and repair of drilling rigs, specializing in oil, gas, and geothermal services. They aim to deliver a comprehensive quote ...

XCMG Manufacturer Construction Machine 58ton Xr180d Used Mobile Rotary Drilling Rig Price for Sale XCMG XR180D Rotary Drilling Rig widely used in boring operation of bored concrete ...

Prime Drilling GmbH is specialized in the development and manufacture of Horizontal Directional Drilling Rigs. The company was established in 1999 and since then has ...

Get Water Well Drilling Rigs IN Germany, For Borewell at best price in Gondal, Gujarat by Vaibhav Engineering and more manufacturers | ID: 2852159584012

DrillTec GUT GmbH Großbohr- und Umwelttechnik is a globally operating drilling contractor for well-known companies in the oil, gas and geothermal industry. ...

The company was established in 1999 and since then has grown continuously. Today, the name Prime Drilling stands for the highest level of competence and continuous innovation in the ...
