

Gy-150 engineering drilling rig

GY-150B pump-machine integrated drilling rig is a lightweight multi-purpose engineering survey drilling rig, which is suitable for engineering geological ...

Quality Engineering Drilling Rig manufacturers & exporter - buy Borehole Water Well Engineering Drilling Rig Depth 180m / 42 GY-150T from China manufacturer.

Product Description Potable Engineering Drilling Rig with Tower GY-150 1& period; Small and portable& comma; such as those used in mineral exploration drilling& comma; water wells and ...

Product Introduce GY-150T is a portable and multipurpose engineering exploration drill rig, applicable to geological exploration of industrial and civil buildings, railways, bridges, ...

GY-150B is a portable and multipurpose engineering exploration drilling rig, applicable to the engineering geological exploration in fields of industrial and civil buildings, railways, bridges, ...

Rock drilling rig Ungrouped Hot Products ZLJ-350 2025Hot Sale 150 m Small Grouting Reinforcement Drilling Rig Water Well Drill Machine GK-200 2025 Hot Sale 200m High ...

Quality Engineering Drilling Rig manufacturers & exporter - buy Depth 180m / 42 Geological Exploration Engineering Drilling Rig GY150T from China manufacturer.

High rotation speed for drilling with small-caliber diamond bits, suitable for pile testing and other construction tasks. Equipped with a combination of friction ...

GY-150 Engineering Drilling Rig is a multi-purpose engineering drilling rig suitable for high-speed drilling engineering in complex rock formation.

GY-100 Engineering Drill Rig Description: GY-100 portable engineering drill is a kind of multi-use engineering reconnaissance drill. It can proceed attacking and gyrating drilling, and it can load ...

Description: GY-300A is a shallow/middle-hole core drill. This drill rig is applicable to not only the core drilling of small or big diameter with carbide and diamond ...

It is a national high-tech enterprise specializing in the design, production, scientific research and development, and operation services of geological equipment such as drilling rigs, drilling ...

Product Description GY-150HB Portable Engineering Drilling Rig Specifications Hot selling products&

Gy-150 engineering drilling rig

comma; High speed& comma; big toruqe& comma; drilling rig water well& comma; ...

?? 1-12 ???(? 34 ???) ?????? ??????? ??????? ??????? ??????? ????

Drilling Rig GY-150. This is a multi-usage engineering drill rig for geophysical prospecting and small-diameter piling work for civil engineering projects like ...

T.S.D.T. maintains a wide range of specialized equipment, including Truck-Mounted Drill Rigs, a Trailered GeoProbe Unit, a Narrow (35") Track Mounted GeoProbe for indoor access, and a ...

GY-200-1G engineering drilling rig is a new generation of lightweight multi-purpose engineering survey and construction drilling rig optimized and ...

GY-150T is a portable and multipurpose engineering exploration drilling rig, applicable to the engineering geological exploration in fields of industrial and civil buildings, railways, bridges, ...

The GY-150 Engineering Drill is a state-of-the-art drilling machine designed specifically for the oil extraction sector. As the demand for oil continues to rise, so does the ...

GY-150HB Drilling Rig With Pump Integrated: 1. With BW-160 mud pump attached on the rig. 2. Large torque, multiple drilling speeds in an appropriate range. 3. Capable to drill inclined holes ...

Gy-150 Crawler Mounted Hydraulic Geotechnical Testing Investigation Core Drilling Machine, Find Details and Price about Geological Exploration Drilling ...

GY-150T is a portable and multipurpose engineering exploration drill rig, applicable to geological exploration of industrial and civil buildings, railways, ...

The fully hydraulic crawler core sample drilling rig is suitable for various drilling techniques such as diamond wireline core drilling, impact rotary drilling, ...

GY-150B Drilling Rig With Pump Integrated: GY-150B is a portable and multipurpose engineering exploration drilling rig, applicable to the engineering ...

GY -150T geotechnical investigation drillingrig Country/Region: China Main Products: Drillingrig machine,Water well drillingrig machine, Drilling tools and accessories,soil testing Drillingrig ...

Product Description Porfessional Drilling Rig GY-150 The Portable Engineering Drill Rig is a Drilling Rig for water well and construction drilling& period; GY-150 portable engineering drill is ...

This versatile rig is ideal for comprehensive engineering geological exploration across industrial and civil

Gy-150 engineering drilling rig

structures, including buildings, railways, bridges, and hydropower projects.

Product Description The GY-150 drill is a kind of multi-use portable engineering drill& period; It is mostly used for the engineering geological exploration and pile examination in ...
