

Hanfa drilling rig

China rig catalog of 120m Tractor Mounted Water Well Drilling Rig Hf100t, 3100nm 62m Hanfa Standard Export Package CE, ISO Rock Drilling Machine provided by China manufacturer - ...

HFX series deep (water) well drilling rig uses full hydraulic control, and the Top drive to drive the rotation of drilling tools with very high drilling efficiency. ...

At Present, Hanfa Group is the biggest exporter of drilling rigs in China. It has exported to more than sixty countries and different regions, such as Southeast Asia, South America, Africa, ...

Zhengzhou Hanfa Imp & Exp Trading Co., Ltd. - Affordable China supplier of Drilling Rig. Quality products from Chinese manufacturers.

Leading comfort Wire-controlled walking system ensures the safety of the rig during walking, transition and shipping. The fuselage occupies a moderate area, meeting the needs of efficient ...

HFSF135B Engineering Drilling Rig Rotation angle: 360°; Borehole Diameter: 110-250mm Borehole Depth: 130m Engine power: 45+22kW Rotating torque: 7500N. m

HFQ65 high air pressure DTH drill crawler open with a low energy consumption, high efficiency, easy to transport and field construction superior technical performance, vehicle movement ...

HFPV-1M Photovoltaic Solar Pile Drilling Rig Also known as (solar drilling rig, Photovoltaic Pile Rig), using new type of hydraulic technology, convenient for ...

1 Drilling depth can reach 30-200m. 2 Steels quality is good, torque is large. 3 Easy operation, free-maintaining. 4 For various complex stratum, such as pebble bed, aggregate bed. 5 ...

HANFA GROUP, zhengzhou. 28,981 likes & 1,143 talking about this. Hanfa Group was established in 1998 and is a key enterprise in the geological exploration and water well ...

The document describes various water well drilling rigs and rotary drilling rigs made by Hanfa Group. The rigs come in different models and are suited for ...

Manufacturer of Rotary Rig Machine, Water Well Drilling Rig Machine & Hydraulic Rig Machine offered by Zhengzhou Hanfa Imp & Exp Trading Co., Ltd., China

Three series pumps, main valves, and motors are all imported parts. The main shaft rotation adopts double

Hanfa drilling rig

motors to drive a closed circuit, which has high working efficiency and large ...

Hanfa Group perennially committed to the development, production and sales of drilling machine, mainly including water well drilling rig, core drill, DTH drill, rotary/piling rig, trenchless centering ...

overview Combining the advantages of excavator and rock drilling rig, the product has the functions of high-speed cutting and percussion drilling.

It has high drilling efficiency, and after construction, it can quickly move to next working site. Flexible, convenient and efficient, it is a national high-speed rail ...

Hanfa Group underground tunneling series of drilling RIGS are widely used for underground mining, small tunnel tunneling and bolt hole reinforcement projects. Their well-designed shape, ...

Hanfa Group established in 1998 is a key enterprise in the industry of geological exploration and water well field, with the ability to research, manufacture and ...

Hanfa Group established in 1998 is a key enterprise in the industry of geological exploration and water well field, with the ability to research, manufacture and market.

George Yang is a highly experienced professional in the field of borehole drilling machine manufacturing, with over a decade of hands-on expertise. Throughout his career, George has ...

1 Drilling depth can reach 360m 2 Steels quality is good, torque is large 3 Easy operation, free-maintaining 4 For various complex stratum, such as pebble ...

There are more than 20 types of water well drilling rigs, core drilling rigs, engineering drilling rigs, down-the-hole drilling rigs, and horizontal directional drilling rigs.

HFMG-120 Crawler Type Hydraulic Anchor Drilling Rig Drilling Diameter: 50-250mm Drilling Depth:100-120m Input Power:55kW+ 18.5kW + 2.2kW Rotary Torque:6800N.m

Application Applicable to industry, residents drilling, ground drilling, large diameter, deep drilling, footage fast, flexible and efficient.

HANFA GROUP, zhengzhou. 29,326 likes · 1,098 talking about this. Hanfa Group was established in 1998 and is a key enterprise in the geological exploration and water well ...

Adopts two-stage compression air compressor with excellent energy efficiency and 2800n.m large torque rotary head to realize fast rock drilling with high wind pressure. It has excellent fuel ...

Hanfa drilling rig

1 Our HFJ Series has been upgraded, HFJ560A water well drilling rig with deeper drilling depth upto 560m! 2
Body of the whole machine steels quality is good, ...

Water Well Drilling Rig Supplier, Core Drilling Rig, DTH Drilling Rig Manufacturers/ Suppliers - Zhengzhou
Hanfa Prospecting Machinery Co., Ltd.

Hfx Series Full Hydraulic Crawler Type Borehole Drilling Rig, Find Details and Price about Water Well
Drilling Rig Water Well Drilling Machine from Hfx Series Full Hydraulic Crawler Type ...

HFSF-200S Sonic Drilling Rig - Environmental Protection Drilling Rig Drilling Diameter: 76-168mm Drilling
Depth:200m Engine Power:160kW Rotary Torque:9300/3900N.m

HFXC Series Truck Mounted Water Well Drill Rig Drilling Depth:300-3000m Max. lifting capacity :
160-1200 KN Max.feeding capacity:80-260 KN Rated Power:113-571kW
