

Hantuo DTH Drill Rig D45

What is a DTH drilling rig?

The DTH drilling rig is specifically designed for drilling blast holes in medium to hard rock, with a diameter range of 90-130 mm and a maximum depth of 24 m. Main feature: 1. Equipped with an automatic rod changing mechanism, enabling efficient rod changes and reducing manual labor intensity while improving safety. 2.

What is hw452h DTH surface drilling rig?

HW452H DTH Surface Drill Rig - Hengwang Group offers a wide range of water well drilling rigs, exploration drilling rigs, rock drilling rigs, piling rigs and other piling drilling equipment. Parameter: Remark: This product is continuously improved as technology advances.

How deep can a Sandvik d45ks drill a hole?

Sandvik D45KS drills holes down to a maximum depth of 63 meters (206.69 ft) and is designed for coal, gold and iron ore mining. It prioritizes easy maintenance and repairs for applications where reliability is a necessity. Sandvik D45KS comes with a high pressure air compressor for down-the-hole (DTH) drilling in gold mining or quarrying.

Find out all of the information about the Epiroc product: multifunction drilling rig AirROC D45 . Contact a supplier or the parent company directly to get a quote ...

The PowerROC D45 is reliable and robust. It is designed for use in limestone and cement quarries, aggregate quarries, and open pit mines. It is built around straightforward mechanical ...

Atlas Copco DTH AirRoc D45 rock drill rig for sale. Core components include engine, with a 1-year warranty. Video inspection available. Overseas service ...

JK Drilling, a professional drilling equipment manufacturer, provides a wide range of DTH drilling rigs that feature high efficiency, high quality and high cost ...

A DTH (Down-The-Hole) drilling rig is a powerful and efficient machine for creating boreholes in hard rock. It utilizes a pneumatic hammer positioned directly behind the drill bit, delivering ...

AirROC D45 and AirROC D50 are down-the-hole drill rigs, that can work with ease on steep grades and the roughest of terrain. These machines are suitable for limestone, aggregate ...

PowerROC D45 Surface drill rig for quarrying and mining Hole diameter: 90-130 mm (3 9 16"-5 1/8 ") 1 f Power up PowerROC D45 is a reliable, robust and ...

Hantuo DTH Drill Rig D45

Atlas Copco DTH AirRoc D45 rock drill rig for sale. Core components include engine, with a 1-year warranty. Video inspection available. Overseas service center. | Alibaba

SDA-45 Integrated DTH Blast Hole Drill Rigs is with automatic rod change, built-in air compressor, one person operate, saving labour cost and saving time of ...

Discover our wide range of surface drilling equipment within mining, quarrying, construction, civil engineering and the dimension stone industry.

The PowerROC D45 utilizes proven Epiroc technology and Down The-Hole drilling to help give reliable performance and high drilling quality all year round. Piston pumps make the hydraulic ...

G45DTH is a versatile, rugged drill rig designed to tackle steep climbs and rugged terrain effortlessly. It is interchangeable with Atlas Copco AirROC D45.

Sandvik D45KS comes with a high pressure air compressor for down-the-hole (DTH) drilling in gold mining or quarrying. The drill performs reliably across ...

TDS ROC D45 is a new product launched by TDS, which is based on more than 27 years of research and development experience and customer feedback pared with traditional split ...

SWD series down-the-hole drills are widely used in blasthole drilling applications for surface mining, construction and quarries. Hole diameters range from 138mm to 255mm ...

The Sandvik D45KS is a diesel powered, propelled crawler mounted blasthole It is a mid-range production drill, standard high pressure air compressor for DTH equipped for drilling 152 to 229 ...

HFQ45 crawler hydraulic drilling rig adopts new hydraulic technology, low air consumption, large rotating torque, and convenient hole shifting. The drilling rig has a compact structure, and at ...

Are you planning to replace the old rotary head of your Atlas Copco AirRoc D45 & D50 DTH pneumatic crawler drilling rig? Look at here,the ...

DRILL PANGOLIN pneumatic rotary head assembly is the best choice to replace the old rotary head of Furukawa PCR200-DTH & Atlas Copco AirRoc D45 ...

Strong R& D Capabilities High Quality Raw Materials Strict Quality Management Good Service Belonging to the national high-tech enterprise,we developed China DTH hammer without foot ...

The D45KS comes with high pressure air for down-the-hole (DTH) drilling, most commonly in gold mining or quarrying. The drill excels in most applications where DTH is used and maximum ...
