

Hf150t water well drilling rig

HF150T trailer type water well drilling rig is a moveable, efficient and multipurpose rock drilling equipment. It has rotary drilling mode and percussive drilling ...

To be equipped with hexagonal vertical shaft and hexagonal drive drilling rod, with strong rigidity and big transfer torque .

Product Description Product description HF150T trailer type water well drilling rig is a moveable, efficient and multipurpose rock drilling equipment. It has rotary drilling mode and percussive ...

HF150T trailer type water well drilling rig is a moveable, efficient and multipurpose rock drilling equipment. It has rotary drilling mode and percussive drilling mode with high-pressure air, ...

RC-6A Cable Percussion Drilling Rig is one of the most important drilling machines in the piling foundation and borehole drilling. It can adapt to various geological conditions, especially for ...

Product description HF150T trailer type water well drilling rig is a moveable, efficient and multipurpose rock drilling equipment. It has rotary drilling mode and percussive drilling mode ...

It is hydraulic drive, trailer type. The drive head is driven by low-speed big torque motor, it has two-gear step-less speed regulating, advanced easy structure, steel wire feeding system. The ...

All of them are driven by oil cylinder with sophisticated design, which can be moved forward and backward, so the location of drilling rig and handling accidents will be easier, the tracks there ...

It has more than 20 species such as water well drilling rig, core drilling rig, engineering drilling rig, DTH drilling rig, horizontal directional drilling rig, etc. These machines are mainly used in ...

Now, the Group pursues high standard manufacturing and qualified products. It has more than 20 species such as water well drilling rig, core drilling rig, ...

Once we have a good understanding of your needs, we will provide you with a detailed estimate outlining estimated well depth, the well diameter, casing material, costs for pump & system ...

Product Description HF150T trailer type water well drilling rig is a moveable, efficient and multipurpose rock drilling equipment. It has rotary drilling mode ...

Product description HF150T trailer type water well drilling rig is a moveable, efficient and multipurpose rock

Hf150t water well drilling rig

drilling equipment. It has rotary drilling mode and percussive drilling mode ...

1.HF150T track-type water well drilling rig is lightweight, efficient, multi purpose drilling equipment, which can use air, foam or mud rotary for percussive drilling according to different textures.

It is widely used in industrial & agricultural water conservancy engineering. It can drill rock well, monitoring well and exploration well, especially apply to drilling geothermal heating hole. It ...

Hf150t 200m Water Well Drilling Rig Tractor Mounted Drilling Rigs, Find Details and Price about Deep Water Well Drilling Rigs Water Well Drilling Rig Machine from Hf150t 200m Water Well ...

Product Description Product descriptionHF150T trailer type water well drilling rig is a moveable, efficient and multipurpose rock drilling equipment. It has rotary ...

Product Description HF150T trailer type water well drilling rig is a moveable, efficient and multipurpose rock drilling equipment. It has rotary drilling mode and percussive drilling mode ...

The HF150T water well drilling rig was delivered to Mozambique on 18th, April, 2020. The customer send the inquiry in January, and we send the quotation to the customer.

HF220T trailer type water well drilling rig is a moveable, efficient and multipurpose rock drilling equipment. It has rotary drilling mode and percussive drilling mode with high-pressure air, ...

See all of the used water well equipment for sale in New York including pump hoists and drilling rigs from brands you trust, like Pulstar and Versa-Drill.
