

# How heavy is a pneumatic rock drill

How do I choose a pneumatic rock drill?

There are many things to consider when choosing a pneumatic rock drill, as drills come in several weight classes and sizes. The smallest pneumatic hand drill weighs in around 8 pounds while the largest sinker drills can weigh in near 70 pounds. The first thing you want to determine is the hole diameter and depth you want to reach.

How much does an air rock drill weigh?

This rock drill is between 50-59 lbs., with ergonomic single-lever throttle controls for easy use. It can deliver up to 2,100 blows per minute (bpm) to get through the toughest materials. Get rental information on Air Rock Drill, 50-59 lbs. from United Rentals. Rent equipment, tools or Air Tools for your next project.

How does a pneumatic rock drill work?

A pneumatic rock drill operates on a simple yet effective principle that harnesses the power of compressed air. At the core of this machine lies a piston, which moves back and forth within a cylinder. When the drill is activated, compressed air from an external compressor is channeled into the drill.

How do you use a rock drill?

Drill through granite or hard-faced rock, or complete quarry drilling or secondary holes for blasting with our pneumatic rock drills. Rock drills are tough, versatile and dependable. They are lightweight tools for drilling holes for anchor bolts and small dowel hole drilling.

How are rock drills powered?

Rock drills can be powered in multiple ways. Pneumatic rock drills are powered by compressed air and are favored for their simplicity and lightweight design, often used in mining and construction sites without access to power grids.

What is a rock drill used for?

Rock drills are tough, versatile and dependable. They are lightweight tools for drilling holes for anchor bolts and small dowel hole drilling. This rock drill is between 50-59 lbs., with ergonomic single-lever throttle controls for easy use. It can deliver up to 2,100 blows per minute (bpm) to get through the toughest materials.
