

How many drilling rigs drilling in oman

How many drilling rigs does Abraj have in Oman?

"To date, Abraj has drilled over 5,000 km in oil and gas developments across Oman, and our modern and diversified fleet of 25 drilling rigs at a [more than] 95 percent utilisation rates and represents a leading market share of 29 percent of all contracted rigs in Oman," Al Harthy added.

How many offshore drilling rigs are there in the world?

Less than half of the companies engaged in offshore drilling worldwide had only one rig in operation as of January 2018, where 78 companies out of a total of 139 offshore oil companies fell into this category. Pemex, short for Petróleos Mexicanos, had the most offshore drilling rigs worldwide in January 2016, at 49 rigs.

Do you move rigs in Oman with Truckoman?

Truckoman has been moving rigs in Oman for over 25 years and provides logistics support to nearly all the drilling and workover companies operating there. Such moves require a great deal of expertise to plan and much heavy equipment to carry out.

How much oil does Oman produce a day?

"With a diverse landscape of both national and international oil companies operating in the country, the total production in Oman is forecast to reach two mmbbl/d [million barrels of oil equivalent per day] by 2027, with gas production accounting for nearly 50 percent. "The demand for rigs is expected to grow as this production increases.

Will Oman export oil to the Gulf?

Omani oil and gas service company Abraj has set its sights firmly on exporting to the Gulf and the wider region. That's according to Salah Al Harthy, business development director, Abraj Energy Services, Oman's leading drilling firm and a subsidiary of state-owned OQ (formerly known as Oman Oil Company).

How does Oman get its money from oil & gas?

The government derives roughly 70 percent of its annual budget from oil and gas revenues through taxation and joint ownership of some of the most productive fields, and the industry accounts for 30 percent of Oman's gross domestic product.
