

Huaian down-the-hole drill rig rental

Why should you rent drilling equipment from rig source?

Renting drilling equipment from Rig Source minimizes any concerns of maintenance, depreciation, and storage, allowing the drilling professionals to solely focus on their drilling projects. At Rig Source, many of our clients prefer rentals over new equipment because we have much more availability in our fleet.

What is a DTH drilling rig?

This mining equipment is designed with DTH hammer to impact and fracture rock, ensuring high drilling speed. 360°; (°;180°;) rotation provides large drilling coverage, and the drilling depth can reach up to 100m. What's more, the DTH drilling rig can be expandable to drill holes for radial cable bolting, and also for shaft drilling.

Where can I rent a drill rig?

Rig-Rents offers Bay Shore Systems drill rigs, piling equipment, and tooling for rent nationwide.

What kind of drilling rigs does hammer & steel offer?

Hammer & Steel offers daily, weekly, and monthly rentals of many respected lines of deep foundation drilling rigs such as rugged and dependable drill rigs. These drill rigs are ideal for applications including pile foundation drilling, dwell drilling, and ground release drilling, among others.

Do you offer low overhead drill rigs?

We offer low overhead models for limited access drilling, Kelly bar extensions, and rubber pads or steel tracks on all drill rigs. We understand the importance of efficient and safe operations. Every piece of equipment undergoes meticulous maintenance to ensure optimal performance on your next drilling project.

Which coring rigs are available for rent?

At Rig Source, we have a variety of coring rigs for rent from top-of-the-line brands including Geoprobe, Versatran, and GTech. These rigs are primarily used for mineral extraction, and our exploration drilling rigs help discover valuable resources below the Earth's surface.
