

Huatai Machinery Rock Drill Price List Latest

CYTJ45-2 hydraulic drilling jumbo with two booms is Huatai's latest product manufactured for small and medium-sized mines and various tunnels. It can operate in tunnels with a cross ...

Zhangjiakou Xuanhua Huatai Mining & metallurgic Machinery Co. Ltd. Is located at high and new technology development zone Hebei province, is the leading private owned enterprise majored ...

Huatai was the first domestic company to introduce rock drilling attachments from Montabert who is known worldwide for rock drill products, and it has so far ...

Huatai has established an advanced, modern manufacturing complex where we produce some of the world's finest hydraulic drilling equipment.

Hydraulic Drilling Jumbos (for Tunelling and Cavern Excavation) Hydraulic Drilling Jumbo with Two Booms, CYTJ45-2 CYTJ45-2 hydraulic drilling jumbo with ...

Huatai is a Chinese company specialized in the design and batch production of rock drilling equipment. Since its inception in 2000, the company has been committed to manufacturing ...

Huatai was founded in the year 2000 as a specialized manufacturer of mining machinery in China. Find the mining and tunneling scalers you are looking for ...

The underground rock drilling machine features a working platform for easy boom movement in horizontal direction, high precision drill angle indication system, remotely controlled operation ...

Huatai es una empresa china especializada en el diseño y la producción por lotes de equipos de perforación de rocas, incluyendo equipos de minería ...

Our hydraulic drilling jumbo is widely utilized in small to medium-sized underground metal mines, hydropower projects, highway/railway tunnels, and ...

HT72 Hydraulic drilling jumbo is suitable for various upward drilling in underground mining with cross section of 3.5mX3.5m--2.8mX3.0m. Hydraulic components feature of superior ...

Designed and manufactured by Zhangjiakou Xuanhua Huatai Mining & metallurgical Machinery Co., Ltd., HT81 wheel type hydraulic drilling jumbo is mainly used to drill blastholes for ...

Huatai Machinery Rock Drill Price List Latest

Rethinking Progress: The Future of Rock Drilling Rigs Rock drilling rigs have come a long way, and their applications are only expanding. From creating boreholes that support ventilation and ...

The underground rock drilling machine features a working platform for easy boom movement in horizontal direction, high precision drill angle indication system, ...

The drilling machinery comes with fully hydraulic rock drill system and anti-jamming function, allowing for quick drilling speed with low consumption. The drilling jumbo is featured by ...

Product descriptions from the supplier Designed and manufactured by Zhangjiakou Xuanhua Huatai Mining & metallurgical Machinery Co., Ltd., HT81 wheel type hydraulic drilling jumbo is ...

HT72-B hydraulic drilling jumbo is specially designed for small sized drifts and tunnels. With flexible design, this mining equipment can be used for drilling ...

Company Description Zhangjiakou Xuanhua Huatai Mining & metallurgic Machinery Co. Ltd. Is located at Xuanhua high and new technology development zone Hebei province, and is the ...

CYTJ45 hydraulic drilling jumbo has been engineered for various mines and medium sized drifts & tunnels, with drilling coverage range of 4000x4000-6100x6100mm (WxL). The drilling ...

ZHANGJIAKOU XUANHUA HUATAI MINING & METALLURGICAL MACHINERY CO., LTD. (HUATAI) is located at XUANHUA ECONOMIC DEVELOPMENT ZONE, and majors in the ...

We manufacture and supply Sale Rock Drill Rig at a factory competitive price with features: Advanced hydraulic rock drill system, Anti-jamming mechanism, Rapid drilling speed and high ...

Hydraulic Drilling Jumbo with Two Booms, HT81/2 HT81/2 hydraulic drilling jumbo with two booms is Huatai's latest product manufactured for small and medium-sized mines and various ...

The CYTJ45 (HT81) hydraulic drilling jumbo for tunneling is a powerful drilling rig with a hydraulic control system, strong boom and HC109 rock drill. The working efficiency and reliable ...

The RC2200 hydraulic drifter is expertly designed for rock drilling rigs and medium-depth mining operations. Built with high-impact power and a reinforced guide sleeve, it effectively prevents ...

The GYSJZ shaft drilling jumbo is a specialized, high-performance drilling machine developed to meet the demands of deep, hard-rock vertical shaft excavation. The drilling machinery is ...

Huatai specializes in the design and manufacture of superior quality rock drilling equipment, offering

Huatai Machinery Rock Drill Price List Latest

underground mining equipment, coal mining equipment ...

Discover high-performance 3 Boom Jumbo rock drill rigs for mining and tunneling. Engineered for speed, precision, and durability in underground excavation ...

Pre-sales training Huatai provides pre-sales training service to help customers to be more knowledgeable about our rock drilling machines. Before the equipment leaves the factory, our ...

Zhangjiakou Xuanhua Huatai Mining & Metallurgical Machinery Co., Ltd. is located at Xuanhua Economic Development Zone, Hebei Province, P. R. China and is a leading private owned ...

With flexible design, this mining equipment can be used for drilling horizontal and fan-shaped holes on vertical and inclined plane in underground mine or tunnels.

Proper maintenance is the key to unlocking the full value of your rock drilling machinery. By following Huatai's best practices--routine inspections, scheduled maintenance, operator ...

Huatai was founded in the year 2000 as a specialized manufacturer of drilling machinery in China. Find the hydraulic bolting jumbos you are looking for on ...
