

Hutte hbr 504 ftw universal micropile drilling rig double head

What is the HBR 504-2?

The HBR 504-2 is a hydraulic drilling rig for micropiles and ground anchors, foundation construction, soil drilling, slope stabilization and geotechnical drilling. The HBR 504-2 is one of the most compact and efficient rig for micropiles, manufactured also with increased power.

What is HBR 504?

HBR 504 is a hydraulic Drilling Rig for Micropiles and Ground Anchors, foundation construction, soil investigation and slope stabilization.

What is HBR 504 drill rig used for?

Hydraulisches Bohrgerat Applications /Anwendungen With its maximum weight of 1.1 tons, HBR 504 drill rig has been specially designed for anchoring and micropiling with hydraulic. Because of its compactness, robust construction and its optimized kinematics, the light weight HBR 504 proved suitable for many other drilling applications.

What are hydraulic drilling rigs used for?

Hydraulic drilling rigs are used for micro piles and ground anchors, enhancement of existing foundations, construction of new foundations, ground stabilization, and soil investigation. The drills are flexible and compact, high-performance, and engineered & manufactured with industry-leading stability and power.

Who sells hydraulic drilling rigs?

Center Rock, Inc. has sales and service responsibilities for the hydraulic drilling products within the defined area of responsibility shown below in yellow. Hydraulic drilling rigs are used for micro piles and ground anchors, enhancement of existing foundations, construction of new foundations, ground stabilization, and soil investigation.

What kind of drilling equipment does Hutte offer?

Hutte offers you a wide range of drilling rigs and foundation equipment. 40+ years of experience in pile drilling equipment results in the design of micropile and anchor drilling rigs for the installation of high-capacity foundations.

The Hutte HBR-605-4 is recognized as a highly flexible and compact hydraulic drilling rig, specifically engineered for micropiles, ground anchors, and ...

The Hutte HBR-202 E is part of Hutte Bohrtechnik's compact class drill rigs lineup, designed to cater to the demand for small drill rigs capable of executing large-diameter bores. This rig is ...

Hutte hbr 504 ftw universal micropile drilling rig double head

Low headroom micropile/anchor drill rig Has ran 10 " casing deep with dual clamps Switch heads and drive hollow bar with drifter attachment Unit comes ...

The REV Drill can be outfitted with a duplex swivel to advance casing along with an inner rod equipped with a hammer or cutter head. By adding clamps and ...

Hutte HBR 504 Mini Piling / Anchoring Rig | 4569 Oras ng trabaho Hydraulic Drilling rig Deutz Diesel engine na may 215 hp I-set up gamit ang rotary head sa isang 6.71 Meter ang haba na ...

Used Hutte HBR 504 Micro Piling Rig for sale. How did you hear about us? Be first to get the latest updates and exclusive offers. I have read and agreed to ...

With its maximum weight of 11 tons, HBR 504 drill rig has been specially designed for anchoring and micropiling with hydraulic Because of its compactness, robust construction and its ...

Description Used Hutte HBR 207 Micro Piling Rig for sale. 3,700 Hours Multi purpose- Micro piling, Anchoring, Geotechnical drilling, Jet grouting, Soil ...

Hutte HBR 504-2 is a hydraulic drilling rig for micropiles and ground anchors, foundation construction, soil drilling, slope stabilization and geotechnical drilling. The HBR 504-2 is one of ...

Micropiling / Anchoring rig with 4557 working hours Krupp HB45A hydraulic drifter DM180 mast type Double hydraulic clamps (60-254mm) Deutz TCD 2012 L06 2V engine (Stage IIIA)

Hutte hydraulic drilling rigs for micropiles and ground anchors for new and existing foundations, ground stabilization, and soil investigation.

Description Used Hutte HBR 207 Micro Piling Rig for sale. 3,700 Hours Multi purpose- Micro piling, Anchoring, Geotechnical drilling, Jet grouting, Soil Investigation, Sectional Flight Auger ...

Micropiles & anchoring drilling rig 2500 working hours Double rotary head - Eurodrill RH24X & Eurodrill RH10X Full remote control functions (tracking, positioning & drilling) Tier V engine CE ...

The Hutte HBR 203 is an extremely versatile 9.4 ton rig with a powerful 27,000 nm rotary drill head, double breakout clamps, and optional umbilical hoses. Its ...

The HUTTE HBR 504 is a multifunctional hydraulic drilling rig with a push/pull force of 100 kN, a rotary stroke of 6600mm and a maximum grabs diameter of 254mm. It has a clamping force of ...

Hutte hbr 504 ftw universal micropile drilling rig double head

Hydraulic Drilling rig Deutz Diesel engine with 215 hp Set up with rotary head on a 6.71 Meters long mast with 4.27 Meters stroke Mast has front the wall ...

Hütte provides high-performance hydraulic drilling rigs and advanced technology supplying you with the best micropiles drilling equipment. We have extensive ...

Applications / Anwendungen HBR 504-2 FTW HOTTE All data contained in this brochure are indicative and does not take power losses into account. All data can be changed without ...

4569 working hours Hydraulic Drilling rig Deutz Diesel engine with 215 hp Set up with rotary head on a 6.71 Meters long mast with 4.27 Meters stroke Mast has front the wall kinematics Double ...

Hütte HBR 207 is a hydraulic drilling rig for micropiles and ground anchors, also suited for soil investigation, slope stabilization and geotechnical drilling. The ...

Hutte hbr 504 ftw universal micropile drilling rig double head
