

H^{1/4}tte drill rig

Who sells H^{1/4}tte drilling rigs?

Center Rock, Inc. has sales and service responsibilities for the H^{1/4}tte drilling products within the defined area of responsibility shown below in yellow. H^{1/4}tte hydraulic drilling rigs are used for micro piles and ground anchors, enhancement of existing foundations, construction of new foundations, ground stabilization, and soil investigation.

What kind of drilling equipment does H^{1/4}tte offer?

H^{1/4}tte offers you a wide range of drilling rigs and foundation equipment. 40+ years of experience in pile drilling equipment results in the design of micropile and anchor drilling rigs for the installation of high-capacity foundations.

What are H^{1/4}tte hydraulic drilling rigs used for?

H^{1/4}tte hydraulic drilling rigs are used for micro piles and ground anchors, enhancement of existing foundations, construction of new foundations, ground stabilization, and soil investigation. The drills are flexible and compact, high-performance, and engineered & manufactured with industry-leading stability and power.

Why should you choose H^{1/4}tte drilling equipment?

The H^{1/4}tte expertise in manufacturing drilling equipment provides answer to all contractor's need in jobs such as micropiles, anchors, geothermal applications and jet grouting. The hydraulic drilling rigs are designed to satisfy of the requirements of slope stabilization and soil investigation.

What is a Hutte rig?

H^{1/4}tte offers high-performance hydraulic drilling rigs and highly-advanced technology for soil investigation and jet grouting applications. H^{1/4}tte universal rigs support a wide range of technologies: sheet pile driving, pile driving with hydraulic hammer, CFA, cased CFA, soil mixing, and cutter soil mixing.

Who is H^{1/4}tte Bohrtechnik?

The H^{1/4}tte expertise in manufacturing drilling equipment provides answer to all contractor's need in jobs such as micropiles, anchors, geothermal applications and jet grouting. H^{1/4}tte Bohrtechnik is world leader supplier of foundation equipment producing hydraulic drilling rig for micropiling, soil investigation and geo drilling.

H^{1/4}tte's micropile drilling equipment is high-performance and can improve the characteristics of soil drilling equipment. The drilling machines are tested for ground anchoring but can also be ...

Low headroom micropile/anchor drill rig Has ran 10' casing deep with dual clamps Switch heads and drive hollow bar with drifter attachment Unit comes ...

HÜTTE drill rig

2005 HÜTTE BOHRTECHNIK HBR202TF Drilling Rig used Manufacturer: HÜTTE BOHRTECHNIK 2005 Hutte HBR 202 Track Vertical Drill Rig. Deutz Diesel Engine. Rotary ...

2006 HÜTTE HBR 203- Micropiling Drilling Equipment used Overview Some general overview of the Equipment Used Equipmen Hütte drill rig HBR 203 Technical Data Some technical ...

Our drilling rigs applications can be extended by using drilling accessories: Huette single rotary heads are avaiable in different torque and rotation speed

The Hutte HBR 203 is an extremely versatile 9.4 ton rig with a powerful 27,000 nm rotary drill head, double breakout clamps, and optional umbilical hoses. Its ...

Hütte HBR 602-2 is the new hydraulic drilling rig for micropiles and ground anchors, foundation construction,, soil investigation and slope stabilization. The HBR 602-2 is one of the most ...

The compact-class Hütte drill rig HBR 203-3 is a self-contained, fully hydraulic crawler drill rig, which features a compact and robust design, simple controls, as well as high efficiency. It ...

The compact-class Hütte drill rig HBR 203-3 is a self-contained, fully hydraulic crawler drill rig, which features a compact and robust design, simple controls, ...

Hütte hydraulic drilling rigs are used for micro piles and ground anchors, enhancement of existing foundations, construction of new foundations, ground stabilization, and soil investigation.

The Hutte HBR-605-4 is recognized as a highly flexible and compact hydraulic drilling rig, specifically engineered for micropiles, ground anchors, and ...

Drill rig HBR605 H605UC0251 Spare parts catalogue supplement fHÜTTE BOHRTECHNIK GmbH Ziegeleistraße 36 D-57462 Olpe / Biggesee - GERMANY Tel. 0049 (0) 2761 / 9644-0 ...

Used Hutte HBR 205 GT Geotechnical Drill Rig for sale. 9,916 Hours Multi-purpose rig Micro piling geothermal drilling HH1265 Hydraulic Top hammer Onboard box magazine Radio ...

Hütte HBR 207 is a hydraulic drilling rig for micropiles and ground anchors, also suited for soil investigation, slope stabilization and geotechnical drilling. The ...

The hydraulic drilling machines of the Hütte line are for micropiles and ground anchors, for the reinforcement of existing foundations and the construction of new foundations, and soil ...

Hütte HBR 610 is a hydraulic drilling rig for micropiles and ground anchors, foundation construction,

Hütte drill rig

soil drilling, slope stabilization and geotechnical drilling. The HBR 610 is one of ...

Hütte HBR 204 is a hydraulic drilling rig for micropiles and ground anchor. It is also particularly suited for soil drilling and soil investigation, slope stabilization and geotechnical drilling. The ...

Hütte offers you a wide range of drilling rigs and foundation equipment. 40+ years of experience in pile drilling equipment results in the design of micropile and ...

The compact-class Hütte drill rig HBR 203 E/D is a self-contained, fully hydraulic crawler drill rig, which features a compact and robust design, simple controls, as well as high efficiency. It ...

Hütte hydraulic drilling rigs are designed to satisfy most of the necessities in slope stabilization, soil investigation and to execute modern foundation. The main ...
