

Independence contract drilling rigs

Who is independence contract drilling?

Through innovation, strategic partnerships, and a relentless commitment to operational excellence, Independence Contract Drilling has established itself as a trusted leader in the industry. Independence Contract Drilling (ICD) is a leading provider of high-quality drilling services to the oil and gas industry.

Who makes shale driller rigs?

Independence Contract Drilling manufactures the ShaleDriller series rigs from its wholly owned API certified manufacturing facility in Houston, Texas.

Why choose a ShaleDriller rig?

ShaleDriller rigs offer a compelling value proposition to customers due to their superior design characteristics. Key drilling parameters are fine-controlled by ShaleDriller's proprietary AC software code, allowing same-class wells to be drilled almost half the time required by a mechanical rig and 20% faster than with DC equipment.

Independence Contract Drilling has several 300 Series rigs in its marketed supply inventory which can fetch a higher margin. Read what this ...
