

Inner Mongolia's best down-the-hole drilling rig

What is Mongolia's new drilling record?

The Major Drilling team at Oyu Tolgoi's copper project in Mongolia celebrates its 2,000-meter PQ3 drilling record on Oct. 22, 2020. A new drilling record is set in Mongolia at the Oyu Tolgoi copper project where Major Drilling teams completed a 2,000-meter (6,561 feet) PQ3 diameter hole.

What drills are used at Oyu Tolgoi?

Drilling teams used a UDR 5000 multi-purpose rig. The UDR 5000 is the drill Major Drilling teams use at Oyu Tolgoi to reach the deep targets. A core sample shows the 2,000-meter depth at the Oyu Tolgoi copper project in Mongolia.

Are Yugong rigs good for drilling?

Yugong rigs offer excellent drilling capabilities and keep fuel consumption and operating costs to a minimum. Yugong's new generation of down the hole drilling rigs can stand up to any task, including production drilling, quarry/mine development and wall control.

What is a DTH drill rig?

DTH Drill, also called shallow surface drill rigs and rock drills, combine performance and economy, making them ideal for quarries or construction sites. Yugong rigs offer excellent drilling capabilities and keep fuel consumption and operating costs to a minimum.

China Surface Down-The-Hole Drill Rig KT12 in Mongolia Manufacturers, we carry all the kinds of Surface DTH Rig KT12 in Mongolia, Surface DTH Driller KT12 in Chile, Surface DTH Driller ...

The integrated open-pit down-the-hole drilling vehicle is an advanced drilling equipment that integrates the down-the-hole drilling system and the screw air ...

Intelligent, automated and future-proof The SmartROC D65 down-the-hole drill rig brings the future of mining within your reach today. Give your operation the chance to profit from the ...

In the world, there are hundreds of players, who making the Drill Rigs from one century ago. Their drilling machine cover almost all drilling ...

Mastering the operation skills of down-the-hole drilling rigs can help everyone complete construction tasks more safely and efficiently.

DTH drilling is often used in the mining industry (blast hole drilling), on construction sites, drilling water wells, and in the oil and gas industry.

Inner Mongolia's best down-the-hole drilling rig

Explore the most comprehensive line of surface rotary and DTH blast hole drilling rigs in the industry, with a multitude of configurations to choose from and scalable automation features.

TAIYE-360-DTH drill rig is an economical drilling rig, which is suitable for drilling holes in hydropower, building material, metallurgy, large and medium ...

On 16th October, 2021, Mesda SD35A integrated down-the-hole drill rig (SD35A) successfully rolled off the production line in Mesda Drilling Equipment Co., Ltd Mesda ...

When it comes to drilling techniques, down the hole drilling has been gaining popularity for its efficiency and precision. This method involves using a ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include auger and down-the-hole rigs. ...

Automatic anti-jamming function improves the adaptability to complex rock formations, maximizing prevention of jamming accidents. Our down-the-hole ...

Sandvik has received an order from Mongolyn Alt MAK LLC to supply electric rotary drill rigs for use at the Tsagaan Suvarga Project in Mongolia. The order is valued at ...

The small down the hole drilling rig offers hybrid motor-air performance, designed for efficient rock drilling in tight or steep areas. Click!

The KG726III/KG726HIII down the hole drill rig for open use is an improved device in compliance with national regulations on environmental protection. Equipped with the Yuchai engine, the ...

The main control action of the drilling rig is integrated on a handle, which is easy to operate, equipped with an anti-jamming system, and optional drilling angle and depth indication, which ...

The history of the down-the-hole hammer manufacturing goes back more than four decades. For the past 40 years and still today, our goal is to produce the ...

An integrated down the hole drilling machine, also known as a one-piece drill rig, or crawler DTH drilling rig is a powerful and versatile machine used in the ...

It can drill vertical, inclined and horizontal holes of \varnothing 115-152mm, mainly used in open air Drilling blasting holes and pre-splitting holes in mines and stonework. The drilling rig is equipped with ...

Inner Mongolia s best down-the-hole drilling rig

The ZEGA D460A drilling rig is widely used in large-scale mining operations in Inner Mongolia, with a borehole diameter of 115-152mm and a maximum...

The down-the-hole drilling machine is suitable for large-diameter blast hole rock drilling operations in small and medium-sized mines, road construction, water ...

Discover the impact of Down the Hole Hammers (DTH hammers) in urban redevelopment projects. Learn how these specialized tools enable ...

Our head also incorporates a long sacrificial inner tube for simplicity and to minimise air leakage and wear through the head components. Smith Capital Equipment has been manufacturing ...

Down-the-Hole (DTH) drilling is a technique used to create deep, precise holes in hard rock and challenging ground conditions. In this method, ...

Down-the-hole drill DTH drill tool operated with drilling mud (Drillstar MUDHammer) A down-the-hole drill, usually called DTH by most professionals, is basically a jackhammer screwed on the ...

DTH drilling rig, short for Down-The-Hole drilling rig, is a cornerstone of modern drilling technology. Renowned for its efficiency, precision, and versatility, this equipment has ...

Down the hole drilling rig, particularly effective in hard rock drilling, ideal for mining, quarrying, water wells, geotechnical projects.

Dives into the world of DTH (Down-the-Hole) drilling rigs, highlighting the best dth drilling rig manufacturers globally. Discover the key players renowned for their innovation, ...

A down-the-hole drill, usually called DTH Drilling Rig, is basically a mini jackhammer screwed on the bottom of a drill string. The speedy hammer ...
