

## Is Ridgid a good drill brand?

Are Ridgid tools a good brand?

Aside from being durable, Ridgid tools are also easy to use, which is incredibly important. I can't stand when some tool companies over-manufacture simple tools to the point where they become ineffective. That's never the case with Ridgid. The simplicity of their tools allows for easy use, whether you're familiar with the brand or not.

Where can I buy a Ridgid drill?

The Home Depot is the exclusive home for Ridgid tools, and Ridgid's 18v " drill kit is its top cordless drill in both ratings and sales. Ridgid's kit includes a 2Ah battery, charger, and soft case. The drill itself includes a metal ratcheting chuck, hex grip, and an LED light mounted on its base rather than above the trigger all for about \$100.8.

Does Ridgid sell cordless power tools?

Yes, Ridgid does sell some cordless power tools, but the selection of corded tools, stationary tools, and corded benchtop tools is better. You will also find that this brand produces a variety of pneumatic tools and compressors too. One category of tools that Ridgid does excel in is the category of hand tools.

Who makes Ridgid tools?

While the Ridgid brand is technically a part of the Ridge Tool Company, it is important to note that in 1966, the Ridge Tool Company was sold to Emerson Electric, which is a massive parent company that also owns many other brands, both in and outside the world of power tools.

Should you buy DeWalt or Ridgid tools?

So, which brand name you go with really depends on what your needs are. If you want high-quality tools and are willing to spend a good deal of cash, DeWalt is the way to go, but if you want more basic tools and don't want to spend as much money, then Ridgid is the better brand for you.

How many drills does Ridgid offer?

Through ample research, we have found no more than 10 drills available from Ridgid, and this goes for both corded and cordless models. On the other hand, the much larger DeWalt offers - between corded, cordless, and pneumatic drills - around 80 options. Which Brand Offers a Better Selection of Planers?
