

Jiaxing Jinke down-the-hole drill rig

JK supplies Hydraulic DTH Drill Rig, Crawler Mounted, Tophammer Drilling Rigs, Truck Mounted Drilling Rig. JK Drilling is certified to ISO9001, ISO14001 and OHSAS18001.

The JK358H/D crawler hydraulic down-hole drill is mainly used in stonework drilling, such as water and electricity project, exploitation of open mine and road construction.

Down-the-Hole (DTH) drilling is a technique used to create deep, precise holes in hard rock and challenging ground conditions. In this method, ...

In down-the-hole drilling a drill rod is fitted with a hammer at its lower end. The hammer, which is mounted on the drill bit, is activated through the addition of compressed air and driven into the ...

DTH hammer is used for drilling holes through a wide range of rock types, the variety of which continues to extend well beyond the original conception of early blast hole drilling. Down-the ...

Mastering the operation skills of down-the-hole drilling rigs can help everyone complete construction tasks more safely and efficiently.

Discover the power of down the hole drilling technology featuring superior performance in hard rock, enhanced accuracy, and advanced automation capabilities for efficient and precise ...

Zhangjiakou Xuanhua Jinke Drilling Machinery Co., Ltd (JK Drilling) is a large supplier in China, which specialized in development and manufacture of all ...

Because Down-The-Hole hammers use a rapid percussive action to crush the rock they require much lower feed force (pull down) and rotation torque than conventional rotary drill bits. ...

Characteristics Heavy Weight Drill collar is an essential part of the performance of Jinke down hole drilling tools. Drill collars provide weight on bit for drilling ...

The all-around large safety windows offer great visibility and help the operator control the rig precisely from all angles. The high ground clearance of over ...

Profile of JK Drilling Jinke Drilling Machinery Co., Ltd is a large enterprise specializing in development and manufacture of all kinds of DTH drilling rigs.

JK drilling, a professional drilling rig manufacturer from China, is experienced in providing high-quality and

Jiaxing Jinke down-the-hole drill rig

high-efficiency surface drilling equipment to meet ...

Hong Kong Hydraulic Down-The-Hole (DTH) Drill Rigs Market size was valued at USD XX Billion in 2024 and is projected to reach USD XX Billion by 2033, growing at a CAGR ...

JK Company is a large enterprise that professional development, production of various DTH drilling rigs. The main products are: JK590, JK580, JK358H (D), CL351, CM458 (D) series of ...

1.Product DescriptionXDH-110/XDD-110 hydraulic DTH drilling rig is widely applied to road, national defence, water conservancy, open-pit mine small blast-hole...

Zhangjiakou Xuanhua Jinke Drilling Machinery Co., Ltd., Experts in Manufacturing and Exporting Hydraulic Dth Blast Hole Drill Rig, Hydraulic Dth Water Well Drill Rig and 0 more Products.

Because Down-The-Hole hammers use a rapid percussive action to crush the rock they require much lower feed force (pull down) and rotation torque than ...

South Korea Hydraulic Down-The-Hole (DTH) Drill Rigs Market size was valued at USD 1.5 Billion in 2024 and is forecasted to grow at a CAGR of 7.

JK590C / JK590 are the new generation of internal combustion (electric) crawler mounted hydraulic DTH drilling rig, the latest updated version of JK590 series. ...

DTH rig machine, down-the-hole drilling rig, is a powerhouse drilling tool designed for deep, accurate, and efficient boring in demanding environments. Ideal for mining exploration, quarry ...

The DTH drilling rigs produced by JK Drilling are particularly designed to drill big holes for mining and photovoltaic projects. They deliver outstanding ...

The KG726III/KG726HIII down the hole drill rig for open use is an improved device in compliance with national regulations on environmental protection. Equipped with the Yuchai engine, the ...

KQTG-150 Down-The-Hole drilling drig offers excellent fuel efficiency, improved safety and higher productivity in challenging rock conditions, which is used for ...

Discover the benefits of large-diameter DTH hammer drilling technology. Achieve efficient, precise, and sustainable deep hole drilling for ...

Down-the-hole drilling rigs are widely used in earth and rock excavation and blasting projects in large, medium and small mines, hydropower, transportation and national defense projects, and ...

Jiaxing Jinke down-the-hole drill rig

When you need depth, power, and durability, our Hydraulic DTH (Down-The-Hole) Drill Rig delivers. Built for hard rock formations, it combines advanced hydraulics with a heavy-duty ...

Our Machine Programme All our drilling rigs are available with a wide variety of methods including for geothermal energy, water well, down-the-hole surface ...

Discover the benefits of large-diameter DTH hammer drilling technology. Achieve efficient, precise, and sustainable deep hole drilling for mining and construction projects.
